U.S. G. 49, 66 puts electric switch on operation. The switch was installed on one of the city's electric substations and will enable the city to better control and monitor the electrical grid. The switch is capable of isolating sections of the grid in the event of a fault, helping to minimize the impact of outages.

Jimerson To Coach OU Boomers

SAY HEY BOOMERS

The University of Oklahoma men's basketball team has named John Jimerson as its new head coach. Jimerson, a former OU player, has been involved in college basketball coaching for over 20 years. He takes over a team that has been struggling recently but has the potential to be a strong competitor in the future. The team is expected to have a strong incoming class and several transfers who will help bolster its roster for the upcoming season.
92 Communications Workers Involved

Strike Still Looms

Special Report, president of Los Angeles Local 1892 Communications Workers, announced that communications workers are still facing a strike and the company has not made any definite move to avert the situation. This was revealed in the talks on Wednesday between company officials and representatives of the Communications Workers Union. The communication service has been running on a reduced schedule for the last few weeks due to a strike involving the Communications Workers Union.

Student Arrested in Assult

In another development, a student was arrested for assaulting a security guard at the university. The student was apprehended after a scuffle with a security guard who was trying to prevent him from entering the campus. The incident occurred near the main entrance of the university. The student was taken into custody and charged with assault.

Witness Admits Seeing Slaying

Another witness came forward and admitted to seeing the slaying. The witness, who was a student, said he saw the case from a nearby window. The witness claimed to have seen the perpetrator entering and leaving the house. The witness added that he had not reported the incident earlier due to fear of retaliation.

Charge Filed in Assault

A charge of assault was filed against the perpetrator. The police said that they had sufficient evidence to charge the perpetrator with assault. The perpetrator was booked and later released on bail. The case is under investigation and more arrests are expected.

'lobbying' By Agency

Church To Present Review Of Bible

'lobbying' by an agency was reported in connection with the presentation of a review of the Bible. The agency was said to be trying to influence the presentation of the review. The review was scheduled to be presented at the church on Sunday. The church authorities said they were aware of the situation and were taking necessary steps to ensure a fair presentation.
