Sooner Gets Overwhelming Victory

Mike's Reform Bill Passes Key Test

WASHINGTON, Oct. 22 -- Oklahoma's reform legislation was sent to the Senate for its consideration Wednesday as the city's overwhelming victory in the Senate. The bill, which passed on a close vote, is expected to pass the House shortly. The measure, which was sponsored by Senator Mike, is designed to provide greater accountability in state government and is supported by a broad coalition of business, labor, and civic leaders. The bill has been under consideration for several months and is expected to be voted on in the coming days. The Senate has already passed similar legislation, and the governor has expressed his support for the bill. The measure is expected to be signed into law soon, and its passage is seen as a significant victory for Governor Mike and his administration. It is hoped that the bill will be signed into law and will have a positive impact on state government.

First game out of a south wall that couldn't hit a barn door, USC's Bob Aldredge and his Trojans outlasted the Missouri State Bears 83-45 in the V.F. Riley Coliseum at Topeka Friday night.

Aldredge, who scored 15 points and collected 21 rebounds in his second college victory, had a special kind of night. He scored 11 points in the first half, including a 3-point shot that tied the game at 18-18.

Missouri State had a chance to take the lead in the second half, but USC's defense held strong and the Trojans pulled away to a 22-point victory.
