Three-Wing Aircraft

A high speaks to the of the "three wings" aircraft, complete with bullet-proofing and power. The new "three wing" aircraft is ready for flight tests at Naval Field 35 and Portland (Shark Field by Photo by Ed Shembury). The shark will make a test flight at the same time. The shark is the only aircraft of its kind in the world. The shark is built by the famous fighter pilot, John Johnson Halts.
