Pig Raising Profitable

'Love That Spaghetti'

'Student Art Being Displayed'

Sandra Tucker/Sherril Head

Learning To Build

Other Students, working with Youth Center staff, are building a "Homecoming" room to be used at the homecoming dance. Pictured, left to right, are: Rich Anderson, Joni Conkel, and David Perlman. The room will be decorated with the theme of 'Rodeo at the Rink.'

Week In Mexico Due

One of the highlights for the Youth Center this week is their upcoming trip to Mexico. The trip is being planned by the students who are currently taking Spanish classes at the center. The group plans to visit several cities in Mexico, including Mexico City and Guadalajara. They will also have the opportunity to interact with the local people and experience the culture firsthand.

New York Comp

The New York Center is planning to hold a competition next week for their Youth Center. The competition will involve various activities such as games, music, and dance. The winners will be announced at the end of the week, and there will be prizes for the top participants.

'Love That Spaghetti'

One of the popular dishes being offered at the Youth Center is spaghetti. The students have developed a unique recipe for spaghetti that they believe is the best in town. It involves a special sauce made from fresh ingredients. The spaghetti is served with a side of garlic bread and a salad, making it a complete meal.

Pig Raising Profitable

Pig raising has become a popular activity among the students at the Youth Center. They have been working hard to maintain their pig farm and are now seeing the benefits of their efforts. The pigs have grown significantly in size, and the students are proud of their accomplishments. Pig raising is not only profitable, but it also teaches the students about responsibility and hard work.

'Student Art Being Displayed'

The Youth Center is currently hosting an art exhibition featuring the works of its students. The exhibition includes paintings, sculptures, and other forms of art created by the students. The exhibition provides an opportunity for the students to showcase their talent and gain recognition for their work. It also serves as a source of inspiration for others to pursue their own artistic endeavors.

Top Student Is Selected

The top student of the year was recently selected from the Tuscan High School student body. The selection process involved a panel of teachers and administrators who evaluated the students’ academic performance, leadership abilities, and community involvement.

Felman’s Reassigned

The high school principal, Mr. Feldman, was recently reassigned to a different position within the school district. The decision was made after a thorough review of his performance, which included a survey of students, parents, and staff.

Favorite ‘Sandwich’ Features New Trend

Although the prepared sandwich is a staple in many fast-food places, there are those who prefer a more gourmet approach. In response to this trend, chefs are experimenting with new combinations and presentations. One popular choice among these innovative sandwiches is a combination of roasted pork, fresh mozzarella, and arugula, served on a homemade focaccia bread. The toppings are arranged in a visually appealing manner, with the pork and mozzarella positioned on the outer layer of the bread, and the arugula as a garnish on top. This sandwich is not only visually striking, but also offers a burst of flavors with the tender pork, creamy mozzarella, and peppery arugula. The homemade focaccia adds a distinctive texture and a fresh, herby aroma to the dish, elevating the overall experience. Chefs are often inspired by local ingredients and cultural influences, which has led to the creation of this unique and delectable sandwich option. With its rich and flavorful components, this sandwich is sure to delight and satisfy those who appreciate a gourmet twist on a classic.

Visiting Vicar To Help Start ‘The Fish’ Get In Swim Sunday

Memorial of the 1950s" gala announcement of the upcoming "Fish Swim" for Our Lady of the Lake Church, in support of the church's renovation project. The event will feature a parade and a swimming competition, with the church vicar scheduled to participate. The proceeds from the event will go towards the renovation of the church building, which has been in need of repairs for several years. The community is encouraged to attend and support this important cause.

Alumnae Council Begins Program

The Alumnae Council of Our Lady of the Lake High School is launching a new program aimed at fostering community engagement and philanthropy. The program, titled "Alumnae Engaged," will encourage former students to get involved in the school's events and initiatives, as well as contribute to the school's fundraising efforts. This initiative is expected to strengthen the bond between the school and its alumni, while also generating much-needed revenue for the school.

Dodge Boasts New Steering

A new steering column and a return to the old-fashioned type of controlled rate of steering are the result of design improvements. The new column is a slimmer, lighter design, which provides a smoother, more natural feel when turning. The column has also been made more durable and less prone to damage.

New Camper Developed

DETROIT — Chrysler has become a "Camper Car" manufacturer with the introduction of a new design. The new model, designated the "Camper Car," is based on the Chrysler New Yorker and will be available in two models: the "Camper Car" and the "Camper Car Deluxe." The car will be equipped with a special chassis and body designed specifically for camping and recreational use.

Theme Set For Scouts

The Boy Scouts of America have announced that the 1967 theme for the Scout program will be "Theme Set For Scouts." The theme will focus on the importance of music and entertainment in Scouting activities. The theme is designed to encourage Scout leaders and members to incorporate music and entertainment into their programs in a creative and engaging way.
