Transformed, Altizer Says

God Dead? Not Really

By CARL BOYD

In "THE AMENITIES"

This God [God] does not possess the

power to guarantee the salvation

of a person, according to Bishop

James A. M. P. Boydie and the

Rev. Dr. John B. Boydie, who are

brought together in the

university's

Theological Seminary.

"God is not," he said, "the

Judge. He is the

Savior. God is the

one who does not

exist. God is the

one who has

failed. He is the

one who is

dead."

In his address at

the University of

Missouri, Dr. Altizer

said: "God has failed. He is the

one who has failed. He is the

one who is dead. He is the

one who is

real."
