Let's Help Our Own People

John Debelius, when giving his recent address at the National Urban Conference in Tulsa, said that the U.S. Department of Agriculture has sent a mission to the different African countries to apprise them of the United Nations' call for aid for the needs of the United Nations cryptographic system. The mission has been given the task of studying the different African countries' economic and social problems and finding ways of aiding them. The U.S. Department of Agriculture has also been given the task of studying the different African countries' economic and social problems and finding ways of aiding them.

State Editors Say

Extra Duty Pay

The Tulsa World's editor, in a recent editorial, said that the U.S. Department of Labor should give extra duty pay to its employees. He said that the men and women who work in the Department of Labor are doing a great deal of work and should be given extra pay for it. He said that the Department of Labor should give extra pay to its employees to show appreciation for their work.

The PEOPLE'S Voice

Post-Due Debts

Walter Lippman, in his recent article, said that the government should not be concerned with post-due debts. He said that the government should not be concerned with post-due debts because it is not a government's responsibility to pay for debts that are due after the government has gone out of business.

Murder On The Old Folks

Billy Graham, in his recent article, said that the government should not be concerned with post-due debts. He said that the government should not be concerned with post-due debts because it is not a government's responsibility to pay for debts that are due after the government has gone out of business.

At Democratic Dinner

Honor Planned For Steed

U.S. Rep. Tom Steed will be the speaker at a dinner in his honor at the Democratic Dinner. He will be speaking on the importance of the United Nations' call for aid for the needs of the United Nations cryptographic system. The dinner is being held to show appreciation for his work and to celebrate his contributions to the cause of peace.

REPORT ON ROSEHILL SCHOOL

Only The Walls Are White

Typical Classroom

In the only all-black classroom, through discussion of a social awareness program, students prepare to meet an educational goal. No wall space is wasted, and the bulletin board is a constant reminder of the program's success.

Integration Just Never Got Around To Rosehill

RUBBER SHOE

The shoe is for the classroom, but the shoe would not be complete without some type of rubber material. The shoe is made to keep the walls clean.

Cracked Oak News

3 Students Top Scholars

Awards of Honor were presented to three students of the Cracked Oak School for their singular excellence in work. The awards were presented to William Smith, John M. Lever, and Patricia Simon. William Smith was honored for his superior work in mathematics, John M. Lever for his outstanding contributions to the school's science club, and Patricia Simon for her remarkable achievement in literature.

Australians Visit

A delegation of Australian students and educators visited Cracked Oak School as part of a cultural exchange program. The visit was aimed at fostering better understanding between the two countries. The students engaged in various activities, including a joint science project, a painting workshop, and a cooking demonstration.

Obedience Contestants

In a recent obedience contest, participants demonstrated their pets' training and handling skills. The contest included various categories such as服从 compliance, agility, and obedience้อย. The winners were awarded certificates and prizes. The event was attended by pet owners and enthusiasts.

Medal Awarded

Suzanne H. Thompson was the recipient of a special medal of honor presented by the school for her significant contributions to the community and school activities. The medal was a symbol of her dedication and commitment.

Homemakers Council Meeting Set

Officers Selected By Crooked Oak Parent-Teachers

We're the Parent-Teachers Association of Crooked Oak School. We meet regularly to discuss ways to support our school and improve the education experience for our children. All parents and caregivers are welcome to attend our meetings. Our next meeting is scheduled for next Wednesday at 7 PM in the school's library. If you're interested in learning more about our activities or participating in our efforts, please come and join us.

Art Works By Children To BeShown Here

The Artworks, created by students of all ages, will be showcased in the school's main hall. This is a wonderful opportunity for you to see the creativity and talent of our students. The exhibition will run from March 15th to March 20th. Please join us in celebrating the artistic achievements of our children.

Oklahoman Renowned Mark Twain Scholar

by FRANK SAHAR

Mark Twain, the American author who is known for his humorous and satirical writings, has been named the Oklahoma state Mark Twain Scholar for 1967. The title is given to an Oklahoma author who has made significant contributions to literature.

OCU Fraternity To Be

41 'Scholars' Are Named

The Oklahoma City University Mark Twain Scholars was presented in 1967 to 41 students from Oklahoma City Public Schools. The recipients were chosen based on their academic achievements and their potential to contribute to the literary arts.

Central Grad

New Editor

Central Graduate Donald John Mutton has been appointed as the new editor of the Centralian, the student newspaper of Central High School. Mutton is a senior and has been involved in various extracurricular activities at the school.

OSBA Gets Local Men

The Oklahoma School Board Association (OSBA) has appointed three local men to its advisory board. The appointments are in recognition of their contributions to education.

Arts Festival Slated

An arts festival is being planned for the spring of the year. The festival will feature various art forms and will be held in the city's main park. The festival will attract artists from all over the state.

Smoky's Eye View

The city has unveiled a new feature, Smoky's Eye View, which offers a unique view of the city. The feature has been developed to attract tourists and locals alike.

10 City Foreign Students To Give PTSA Program

Ten foreign students from various countries will be giving a presentation to the PTSA (Parent-Teacher Student Association) program. The students will discuss their experiences and the cultural aspects of their home countries.

Planning Program

A planning program is being held to prepare for the PTSA presentation. The program will cover various aspects of the presentation, including the selection of topics and the preparation of materials.

OSU Gets More Federal Funding

The Oklahoma State University is receiving an increased amount of federal funding. The additional funds will be used to support various programs and initiatives.

Aid Classes Begin Soon

The aid classes are scheduled to begin soon. The classes are designed to help students understand the aid application process and to assist them in securing financial aid.

Centralian, Central High School's student newspaper, is a vital part of the school's community. The newspaper provides a platform for students to express their thoughts and opinions.

Classen Student Is DAR Winner

A student from Classen High School has been named the DAR winner for 1967. The student has been recognized for his academic achievements and his participation in extracurricular activities.

Wed Student Is Accepted

A student has been accepted for the wedding. The student has been involved in various activities and has been recognized for his contributions to the school.

RED TAG SALE

HERE'S WHY

We saved over 350 appliances from the floor of the Midwest City store, Norman store and Northwest store. These were demonstrators and floor samples. A few were scratched or dented in moving, but all are brand new and carry full warranty. These, plus dozens of discontinued items, are all reduced for this sale.
