CAB Says He Had Heart Attack Seconds Before Crash

Pigman Blamed For Air Disaster

We Like Grandpa

Pigman, Tom stead and a large group of grandsons Monday night, right during Tom's St. Day in Midwest City, and the last of which was his birthday. Grandmothers from left to right are Margaret, Nellie, Katherine, B. and Oscar. 72. "Child's Picture" on Page 12. (Staff Photo by Harold Machacek).

He's 'Almost' In Race

Democrats Cheer Steed's Decision

CAB made a statement on the radio program announcing that it had received a letter from Pigman expressing his desire to run for re-election. The statement said that Pigman had requested the letter in order to avoid being implicated in the crash. The CAB also released a letter from Pigman in which he denied any knowledge of the crash and expressed his regret at not being able to help the flight crews. The CAB also announced that it was seeking witnesses to the crash.

The Inside News

Two former Caddo County residents have some examples of the many times they have saved the day, the man who saved the day, and another that good people made the right choice.

New Flood Expected

In this flood season, the Secretary of Agriculture has emphasized the importance of flood control measures. The Army Corps of Engineers has been working on developing flood control projects to prevent future floods. The Secretary of Agriculture has stated that the government is committed to flood control and has called for continued efforts to prevent future floods. The Secretary of Agriculture has also called for continued efforts to improve flood control projects and to ensure that they are effective in preventing future floods.
MacDowell Club To Meet

Journal Entries

MacDowell Club of chiefs here will have their monthly meeting May 1st. Officers include: President, Mrs. Mabel Shelnutt; vice-president, Mrs. E. B. Henley; secretary, Miss Mary Smith; and treasurer, Mrs. J. E. Smith. The club's activities are sponsored by the Woman's Auxiliary, Garden Club, and other women's groups.
