These Are Not Beatniks

Some people have taken the term "beatnik" to mean only those who reject the established order and live in a bohemian manner. However, Beatniks also include those who are true artists and have a fresh and original style. It is important to distinguish between these different meanings of Beatniks.

The Lint-Picking War

It is not clear what the exact cause of the lint-picking war is. However, it is possible that it is related to a dispute over the use of a certain material or technique in the textile industry.

REDS SWAT ASTROS

LA 15, SF 4: Larry Bowa hit a third-inning home run, and Don Drysdale pitched a three-hit shutout as the Reds defeated the San Francisco Giants. The Reds, who had been struggling in recent games, offense and defense, were able to overcome the Giants with a strong performance on both sides of the ball.

The win was significant for the Reds, who are currently in fourth place in the National League, trailing the Los Angeles Dodgers by one game. The Giants, on the other hand, are in last place in the National League West, and are struggling to find a winning formula.

In other games, the Pirates defeated the Cubs 5-2, and the Mets defeated the Cardinals 4-3.
