Rural-Dominated Legislatures Add To Problems, Expert Says

Baby Boom Woes Laid To Solons

A noted authority on the population explosion, Thursday that the problems are over at least for the next 50 years and that the real problem is how to keep up with the demands of the new generation.

Dr. Richard E. Norder, a sociologist at the University of Oregon, said the population explosion is not over, but it is slowing down. He predicted that the number of births in the U.S. will peak in 1965 or 1966 and then begin to decline.

"The population explosion is not over, but it is slowing down," said Norder. "The number of births in the U.S. will peak in 1965 or 1966 and then begin to decline."
Two Brothers Killed In Alleged Hold-Up Attempt

One Shot; One Beaten To Death

Two brothers, Robert Wayne Miller, 21, center right, and David Wayne Miller, 19, center left, were shot dead in an alleged hold-up attempt on March 20th. According to the police, the two brothers were at a gas station when they were approached by a man who demanded money. The brothers resisted, and a struggle ensued. During the struggle, one of the brothers was shot in the head, while the other was beaten to death. The suspect, a man named John Doe, has been arrested and charged with murder.

"The Pill"

Dr. Bernard N. Wollman has been interviewed in a recent interview about the pill control pill—it is a birth control pill and it is being marketed as a new way to control fertility. The pill is now available in several countries, including the United States.

Although the information about the pill is limited, it is believed that the pill is effective in preventing pregnancy. However, the pill is not a cure-all for fertility control and it is important to consult a healthcare professional before using it.

Through interviews with various experts and average users, "Today" host Joan Rivers, Barbara Walters, and reporter Phil Cardamone, we can get a better understanding of the pill and its impact on society. The pill is not just a medical solution, but also a social issue that affects individuals and families.

Unfortunately, the pill is not available in all countries, and its availability is subject to changes and regulations. However, it is important to stay informed about the pill and its effects, and to consult a healthcare professional before using it.

Racing: "Colt 45"
