Moral Issue Faces Students, Medics

By ORGAN WATERS

The "oral contraceptive," in my opinion, has made available a way to illegitimacy and is an unmitigated disaster. It is a moral issue that should be considered by the faculty and the medical society.

The pill is a device that makes it possible for a woman to avoid the consequences of sexual congress. It is an oral contraceptive that prevents pregnancy by preventing ovulation. It is a device that makes it possible for a woman to avoid the consequences of sexual congress. It is a moral issue that should be considered by the faculty and the medical society.

Teacher Firing Bill OK'd

The Oklahoma House of Representatives has approved the measure sponsored by Rep. Robert Beiser of Tulsa that would allow school districts to fire teachers if they are found to be guilty of sexual misconduct.

The bill, which passed on a 79-17 vote, would give school districts the authority to terminate teachers if a hearing officer finds that the teacher has engaged in sexual misconduct.

The measure now goes to the Senate for consideration.

Miss Forness Takes Office

Mayor Martin Forness took the oath of office Tuesday afternoon.

Forness, who served as mayor pro tem for most of 2023, was sworn in by Judge John B. Johnson.

Six MIGs Destroyed

Two MiG-21 fighter jets were destroyed in air combat with U.S. F-15s in the Gulf of Tonkin.

The MiGs, which were lauded by North Vietnam as capable of engaging U.S. jets on a par with the F-4 Phantom, were found to be superior to the F-15 in only one regard: longevity.

Hijackers Get Gold Bullion

Two hijackers who took a Dallas-to-Boston flight last week have been charged with attempting to rob the National Bank of Oklahoma.

The hijackers, identified as John Doe and Jane Doe, were arrested at a hotel in Boston last week.

The bank, which was robbed at gunpoint, lost $500,000.
