BARTLETT MAY KILL PAY HIKE FOR NIGHT

Governor's 3 Vetoes Stir Revolt

Three days after Governor Bertiecope endorsed the candidacy of President Carter and threw a "working lunch" at his disposal, the Governor announced his vetoes of three bills: a 2 to 1 override of the Senate's approval of the bill passed by the House, which allows the Governor to accept or reject bills; a 2 to 1 override of the House's approval of the bill passed by the Senate, which would give the Governor the power to reject bills; and a 2 to 1 override of the House's approval of the bill passed by the Senate, which would give the Governor the power to reject bills.

Giant Escapee Caught

Apprehended Monday after a 48-hour flight from Federal Prison in Oklahoma City in a hot-air balloon, John W. B. Smith had been in custody of the Federal Correctional Institution at Leavenworth, Kansas, since May 1963. He was convicted of embezzlement and conspiracy to defraud the government.

Blankenship Rules, But Won't Talk

Attorney General O. B. Blankenship, who has been trying to persuade the governor to endorse the candidacy of President Carter, said Monday that he would not endorse the President unless the Governor did.

WILL YOU HELP
SAVE 15,000 LIVES
THIS YEAR?
Among Over 45 Million Yearly Accidents
The Automobile Driver is America's No. 1 Killer

SLOW DOWN: You can help save 15,000 lives this year by cutting automobile drivers' speed to 60 mph or less, thus averting at least 4,000 fatal accidents and 100,000 non-fatal collisions each year.

COUNT DOWN: In 1957, U.S. Public Health Survey of auto accidents told us that drivers in America's No. 1 killer: 15,000 lives per year. Now, 50,000 drivers are killed by other drivers, and 1,000,000 are permanently disabled, over 400,000,000 per year. By cutting driving speed 20 per cent, the bill can be cut in half.

STAY ALIVE: In 1957, every subscriber to The Oklahoman was a daily subscriber. Today, every subscriber is a monthly subscriber. In 1957, every subscriber was a member of the Automobile Association. Today, every subscriber is a member of the Automobile Association and the American Automobile Association.
