Honesty And Integrity Essential Principles For Business Firm

This month we Americans think often about Freedom as we celebrate our Independence Day with picnics and fireworks and enjoy the pleasures of the holiday. It is a time when we celebrate our individual freedom to live, work, and think as we choose to do so and not by decree or command. This freedom also gives opportunities to Americans to work and build real wealth, to grow and prosper. And to make their contributions to the development and progress of our country. The people of our service-oriented economy are proud to be a part of life because they help to make America's "better future happen." And in the process, to open the way to even greater opportunities to help others in their needs and form a new America.

Washington Hippies 'Like Rabbits'

By DAVID SHERRICK

WASHINGTON, D.C. (UPI) -- teen-aged "rabbits" from Washington's hippest neighborhood, Georgetown, are finding themselves more and more caught up in the number game.

In the past, they could count on only a few thousand people as regulars at the neighborhood's annual Georgetown Faire Festival, a neighborhood festival with its roots in the 1960s. But now the crowds have doubled, and the hippies are wrestling with the problem of how to handle the increase.

"We've got to come up with something to do with all this people," said one of the hippies, who asked not to be quoted. "We can't just stand around and let them take over our neighborhood."

This year's festival, which begins today, will feature a variety of events, including a parade, a concert, and a chili cook-off. The hippies are also planning to introduce a new event, "Hippie Olympics," which will feature races, races, and races.

City Parades At 10 Today

City parades will begin at 10 today. The events are being held in honor of the Fourth of July.

"We're excited to be celebrating the Fourth," said Mayor Johnson. "It's a tradition that we cherish, and we're proud to be able to continue it.

"Come On Out And Have Some Fun"

"Come on out and have some fun," said the mayor. "There's plenty of entertainment for everyone, so make sure to come out and join in the celebration."

Mrs. Wallace Flips Today
