DEMOCRATS WANT TO SEE THE DOUGH

Bartlett's Plan: Gold Or Gilt?

Oklahoma's Democratic Party's plan for 1952's general election was questioned by Oklahoma Federal Reserve Board Chairman J. M. Bartlett, who announced that his organization would try to have a gold rather than a gilt ticket at the polls. Bartlett said he would ask for a gold ticket because he felt it would give the state a better chance of winning.

Dear Customers:

A large local furniture chain recently refused to deliver a solid carload of fine upholstered furniture. The transportation company and manufacturer were forced to discontinue all shipments of fine furniture.

After our buyers inspected this shipment, they immediately realized what a tremendous buy it would be. Consequently, they purchased the entire shipment at a 50% discount.

This merchandise is in perfect condition; however, we found our warehouse was loaded and therefore we must dispose of this purchase at prices and are passing the savings on to you, our many fine customers.
