City ‘Bucks’ For A Record

Fourth National Rodeo In Sight?

Several new conditions were asked this
year for the coming event, making seven
events of the entire rodeo season. New
changes have been made at Gateway City
in the Grand Rodeo Rodeo, which will be
open to the public only for the Grand
Rodeo. The new changes are designed to
attract more riders and spectators.

The rodeo has a grand total of 5,000
horses, which means that a total of
15,000 horses will be at the actual
Grand Rodeo. The new changes are
expected to bring in a new audience of
horse lovers and spectators.
