By HERBERT W. TAWNS

The nation's capital, Washington, D.C., is abuzz with preparations for the upcoming royal wedding. The White House is currently being redecorated for the nuptials, and security measures are being heightened to ensure the safety of the newlyweds and their guests. The wedding is expected to be a grand affair, with many dignitaries and foreign officials in attendance.

DEAR SIR: What can I do about my son's latest problem? He is constantly leaving the house without permission.

SIR: I suggest you set clear rules and consequences for your son. Make sure he understands the importance of getting permission before leaving the house.

Your Vote Needed Today

Let us hope, in the Oklahoma City Council, that the council members will be fair and just, and that they don't become too big for their boots.

The mayor's race is a question here. We have a mayoral race here and it has been decided by the Oklahoma City Council. It's a great day for democracy in Oklahoma City and we should be proud of it.

The '68 Listerine. Take a test gargle.

Come. Test gargle the '68 Listerine. Get top performance from the mouthwash made to last.

If you don't agree it's the freshest, most effective-tasting mouthwash you've ever tried, just send us the top wrapper disc and we'll send your money back.

We're willing to make this offer because in the '68 Listerine we've kept every feature of our popular '67 model. In fact, we haven't changed one golden drop.

It's still the same powerful formula. Why change? Listerine fights bad breath best, contains more active ingredients to kill germs and freshen breath than any other leading mouthwash. Keeps your breath fresh hour after hour.
