HEART PATIENT DIES

CAPITOL (AP) — Last Wednesday, the news spread through the halls of the Oklahoma State Capitol that one of its members, Rep. W. J. George, had passed away. The 40-year-old George was rushed to the hospital after experiencing chest pains, but despite efforts to save him, he succumbed to his injuries.

According to reports, George had been known for his dedication to public service and his commitment to making Oklahoma a better place. He leaves behind a wife and two children.

In a statement, Gov. Mark Schmitz expressed his condolences and said, "We have lost a leader who will be greatly missed. His service to our state will not be forgotten."
