Tinker's Librarian Reaps Big Reward

The thrill of being named a Jet City Topper was just the beginning for Librarian Mrs. T. W. Tinker. She was one of four Oklahomans honored in a recent ceremony. In addition to the Jet City Topper, Mrs. Tinker was also a recipient of the Browning Award. The award is given to librarians who have made outstanding contributions to their communities. Mrs. T. W. Tinker has served as librarian for the past 12 years and has been a dedicated member of the community. She has worked tirelessly to improve the library and its services, and has been a source of inspiration for many. The Browning Award is a testament to her hard work and dedication, and she is truly deserving of this recognition.
