Keller Grabs Ward 3 Seat

By PHILIP NORTON

Nelson Keller won the Ward 3 Oklahoma City Council primary over Austin last Tuesday, 2,974 votes to 1,098, or about 70 percent of the vote. Although Austin showed greater strength in the primary election two weeks ago, Keller took an early lead and built it to its final margin of 1,876 votes. It is the first time in 12 years that the Oklahoma City reporter has been available to cover the elections.

"I am very grateful," he said of the hundreds of devoted workers who came to the polls, "and I will never forget the thousands of you who had no time to vote."

Nelson was elected to the council in the real estate and insurance business. Ward 3 and 4 were the only two wards where he was elected. Although he was a Democrat, he ran as an independent.

"I think we're going to have a good group. I certainly plan to work with other members, and I will work with Mr. Austin from his party, too."
