**MAN GETS ARTIFICIAL HEART**

**Dacron-Plastic Device Planted**

HOUSTON (AP) — Dr. Denton A. Cooley, 62, performed the world's first implantation of an artificial heart this week in Houston. The operation was performed on a 50-year-old woman who had been pronounced dead after a heart attack. The artificial heart, made of Dacron and plastic, was successfully implanted and the patient is expected to recover.

**Surgeons Examine Mechanical Heart**

Dr. Denton A. Cooley, left, holds an artificial heart developed by the Ormond Cardiovascular Pathways of the University of Texas Medical School in Houston. The device is expected to be used in the future to treat patients with severe heart conditions.

**Sen. Young 'Mystery Man' Behind Oil Suit?**

By RICK GRAYSON

In state Senate, John Young, 70, a millionaire lawyer, is an easy figure to overlook. But he has been quietly building a powerful political organization that is challenging the dominance of Sen. Lyndon B. Johnson in the Senate.

**School Tax Move Failed**

A move by Senate candidate Don Wilson to place all private school students under the jurisdiction of the Texas Education Agency was defeated in the Senate.

Evans Home Furnishings announces the addition of one of the finest names in furniture to our impressive list of famous names...

Introducing Thomasville's complete, dramatic collection of CHATEAU PROVENCE

Seeing this collection is like taking a tour of fine French country homes. We invite you to see these graceful variations of long ago French country life as reflected throughout this entire fabulous collection of Chateau Provence... Thomasville's finest contribution to the French Provincial furniture to modern America.

In the centuries-old homes of the French country garden, where the finest examples of French provincial cabrilotism have been chosen for generations, are magnificent antiques. The influence of the great French design periods is evident in these pieces. But, local craftsmen brought a new wave of freshness, endurance and vitality to the prevailing styles.

Here, inspired by these original masterpieces, Thomasville has designed the new Chateau Provence collection... reproducing authentic design detail brilliantly adapted to the homes of today.

FINE CRAFTSMANSHIP OF TODAY BLENDS WITH PAST TRADITION

Here, in the Chateau Provence collection is furniture with casual weight and importance. legs joints are improved. Appear as deep. Rich finish color. Shown, shadings, and textures have the naturally distressed texture that reflects the country origins of the style. Tops are even, new highlighted, as though rubbed through years of use. Panelled doors and deep pieces are at Thomasville's discretion with woods. These evolve Chateau Provence collection today. It's like touring the lovely country homes of France!

THOMASVILLE TOUCHES: Warmth and details are unique. A Thomasville trademark. "Vieux" style finish. Richly textured with a soft, warm patina, stained and glazed in a manner of custom import.

HIGH QUALITY CONSTRUCTION: Look we say no more!

THOMASVILLE MANUFACTURES: Craftsmen, custom-designed in keeping with the historic origins.
