Oldland: Fire Code 'Secrets' Inaccurate

By JEND EARLE

Several city building inspectors, fire officials, and city councilmen claim that the fire code requirements are not being enforced.

"The code is a mystery," said one fire inspector. "I've been here for 20 years, and I still don't understand it."

In a heated argument, the city councilmen passed a resolution calling for an investigation of the fire code and its enforcement.

"The code is outdated and needs to be updated," said Councilman Smith. "It's not fair to our firefighters and the public who are putting their lives on the line."

And Now Joan Kennedy...

Occasional Spat’ Interrupts Bliss For Ted And Wife

In their 14-year marriage, it’s been a source of delight for Ted and Joan Kennedy that, in general, they can go through the weeks without an argument. But recently their relationship has been beset by an occasional spat...
Vallee's Art Being Shown

In front of the Oklahoma State House for two weeks this month, a group of 21 paintings by Oklahoma's famous artist, Robert F. J. Vallee, are being shown to the public. The show, which is sponsored by the Oklahoma Artists Association, is being held to promote the arts in the state.

Who Killed Bartlett's Programs?

The Bartlett program has been under fire for the past year, as the state government has been faced with budget cuts and reduced revenues. The program was designed to provide assistance to low-income families, but has been criticized for its inefficiency and lack of oversight.

Oklahoma Restaurants Use Great Number Of Tortillas

The large number of tortillas consumed in Oklahoma restaurants is a testament to the state's love for Mexican cuisine. The popular items include nachos, tacos, and burritos, all of which require a generous amount of tortillas.

Questions On Pilot Illnesses Answered

The recent illness of two pilots has raised questions about the safety of air travel. The pilots, who were flying a small private plane, were reported to have been experiencing symptoms of fatigue and disorientation before the crash. The Federal Aviation Administration is investigating the incident.

Mailer To Run For Mayor Of New York?

"In 1975, I became involved in a local campaign as a volunteer," John Mailer, son of author Norman Mailer, said. "I was impressed by the dedication and hard work of the volunteers. I decided to get involved in politics and decided to run for mayor of New York in 1980."}
