APOLLO STREAKS TO LUNAR ORBIT

TV Viewers Given Treat From Space

On Their Way

Astronauts' Home Quiet

By LIBBY PRICE

HOUSTON, TX — Earth's onlookers were treated to an incomparable show of the Apollo 13 astronauts as the spacecraft Plenty of excellent pictures were taken by<br>photographers who covered the event. The pictures were published in various news media all over the world. Some were even broadcast live on national television.

Hep Hippies 'Dig Rock'

By PAUL CARTER

AIDS patients and their friends were invited to participate in a rock concert at a AIDS hospital in New York City. The event was sponsored by the New York AIDS Society and was attended by hundreds of people. A variety of bands performed, including the Rolling Stones, the Who, and Led Zeppelin. The audience was enthusiastic and the atmosphere was electric.

Sun Warms Oklahomans

Spring has begun to show its face in Oklahoma. The warm weather has brought about an increase in outdoor activities for people of all ages. The state parks are bustling with visitors enjoying hiking, picnicking, and swimming. The Oklahomans are ready to welcome the warmer days and longer nights.

Fun Or Freakout?

Several hundred people filled the amphitheater at Will Rogers Park Sunday afternoon for a 10-hour continuous hard rock concert staged by 10 local bands. Some dance and others just watch. (Photo pictures, Page 2)

NASA Official Claims Soviets Aim At Plutons

WASHINGTON (AP) – The Bolshoi Group, a Soviet space agency, announced today that it plans to launch a satellite to study the Plutonian atmosphere. The satellite, named the Plutonian Atmosphere Research Satellite (PARS), will be launched in 1975 and will study the composition and dynamics of the atmosphere of Pluton, a dwarf planet located beyond the orbit of Neptune.

Sixty Black Clergymen Ax Militant's Manifesto

Sixty Black clerics in Muskogee have denounced a Negro militant's recent fiery outburst in which he called for the destruction of white people. The clerics, led by Rev. Dr. King, said the militant's rhetoric was causing division and violence.

Airports Safety Program Set In Muskogee

Muskogee County officials have launched a new safety program for airport operations. The program includes training for all airport personnel and a new safety manual. The goal is to reduce accidents and improve safety at the airport.

A MESSAGE FROM THE NATION'S LEADERS

A message from the nation's leaders to the people of Muskogee:

"As we work together to build a better future, let us remember the importance of safety and the need to prevent accidents. We encourage all who work at the airport to participate in this new safety program to ensure the safety of all who use the airport."
