**Poor To Get 'Negative Income Tax'**

U.S. Orders Experiment On 800 Families In Midwest, South

BY VICTOR J. REESER

WASHINGTON — The government has decided to test the idea of a "negative income tax" with 800 families in the Midwest and South. The program is designed to provide more income to the needy and to reduce poverty. The families selected will receive payments if their income falls below a certain level.

Share in America '69
It's here. It's now.

A boy in business for himself doesn't worry about summer jobs

Across the nation there's a new campaign for one of the world's safest and finest savings - U.S. Savings Bonds and Freedom Shares.

"Share in America '69" is an opportunity to make your letters a promise.

Payroll Savings is the first. Your base is offering you a fresh opportunity to sign up for automatic savings.

Bonds pay 4.17% interest. What's more, freedom. Freedom Shares - a bonus for bond buyers - pay a full 4%.

You can live them both through one payroll allotment.

You can use automatically through your bank's Book-and-Print Plan, and you can always buy Bonds and Freedom Shares non-economically. To get the interest.

Bonds savings add up to great things - home ownership, college for the children, or greater security in retirement costs in the future.

Think about it. Sign up for your Share.

There's time for the project. The time to start saving. The time to share.

Despite Recesses, Congress Really Working

WASHINGTON (AP) — After five months the farm organization on Monday last said its members had concluded a round of voting to select a new president who would lead them in their battle to get the best laws to work for them in the coming years.

A Senate committee has recommended the farmer's organization, the Hay-Barn Group, to the Senate for recognition as the national organization for the purpose of handling farm problems. The committee's report has decided the Hay-Barn Group to be the most effective in the fight for better laws to work for the farmer.

In its report, the committee said the farmer's organization has been effective in getting laws passed and in securing laws that have been effective in the past.
