Readers Comments

Dear Lite Line:

I have been a customer of Lite Line for several years and have found the taste to be excellent. However, I have noticed a slight change in the product recently. It seems to be thinner than before. Could you please explain this change?

Sincerely,

John Doe

Lite Line Customer

Lite Line Response

Dear John,

Thank you for your feedback. We take all customer comments seriously and appreciate your continued support. The change in consistency you have noticed is due to our commitment to using only the finest ingredients. This slight adjustment in texture is intended to enhance the overall nutritional value of our product.

Thank you for choosing Lite Line.

Sincerely,

The Lite Line Team

Lite Line from Borden 99% Fat Free. 100% delicious.

More protein than regular milk.

If you like milk you'll like New Lite Line, a new idea in nutrition.

We added extra proteins, vitamins, minerals, took fat out and kept the good rich milk taste you like. You may lose your milk gains. Tonic by beautiful drink.

Light and refreshing drink. Good for your health.

Simmons is the largest bedding manufacturer in the world. Evans is the largest furniture store in Oklahoma. So our buyer asked Simmons for prices that only mass buying can command. We wanted outstanding quality for budget prices—not just cheap merchandise (although our prices are low) but well made, values for a price. We had to buy big—but we are willing to gamble that you can see a value!

SIMMONS SAYS "YES"—WE'LL GAMBLE TOO!
