We Came In Peace
Simple Inscription To Herald U.S. Moon Landing

By Valerie H. Watts

It will be the first time in the history of the moon landing that an inscription of peace is placed on the moon. The inscription will be placed on the Apollo 11 module when it returns to Earth.

Space Heroes Coming To Oklahoma

Two of the three astronauts from the Apollo 11 flight, shown above in their space suits and musical instruments, will come to Oklahoma City on July 5 to announce the grand opening of the Space Heroes Memorial, a permanent exhibit of space memorabilia located in the Oklahoma City Civic Center. The exhibit will feature items from the Apollo 11 mission, as well as other space-related artifacts.

Beefing Up Of Defense To Be Goal

By Jane Dale

President Reagan has announced a significant increase in military spending, aiming to increase the nation’s defense capabilities and deter potential adversaries.

Population Z-O-O-M-S

By Jim Randall

Oklahoma City's population is projected to grow by 10% over the next five years, according to the latest projections. The city’s projected growth rate is significantly higher than the state average.

Defence Budget Cut

$2 Billion Slashed Off Request

The White House announced that the defense budget request for fiscal year 2023 has been reduced by $2 billion, in line with recent tax cuts and other spending reductions.

County Taxation Study Beginning

The Daily Oklahoman

A study of county taxation in the state is underway, with the goal of improving the fairness and efficiency of the current system. The study will examine various aspects of county taxation, including property tax, sales tax, and other revenue sources.

Topping The Month

By Philip W. McBride

The Oklahoman

A new study has been published on the impact of space exploration on the economy. The study finds that the space industry contributes significantly to the national economy, supporting millions of jobs and generating billions of dollars in revenue each year.

Staying 'Power' Vital In Asia, Agnew Says

The Oklahoman

Vice President Walter Mondale has announced that the United States will send military aid to South Vietnam, as tensions between the two countries escalate.

Welcome to the Future

By Mike Brown

The Daily Oklahoman

A new book, "Welcome to the Future," has been released, exploring the potential impact of emerging technologies on society. The book features essays and interviews with leading experts in the field.

Simmons is the largest bedding manufacturer in the world. Evans is the largest furniture store in Oklahoma. So our buyer asked Simmons for prices that only mass buying can command. We wanted outstanding quality for budget prices—not just cheap merchandise (although our prices are low) but well made, values for a price. We had to buy big—but we are willing to gamble that you can see a value.

**Simmons Says “Yes”—We'll Gamble Too!**
