**Apollo 12 Due Delay?**

The excitement of the moon landing will be a reality next week when the Apollo 12 mission is launched from the Kennedy Space Center in Florida. The mission is expected to reach the moon on November 19, 1969. The landing will be the second manned mission to the moon, following the successful Apollo 11 mission in 1969.

**Moon Girl Gets OKIE Pin**

The first moon landing was on July 20, 1969, and it marked a significant milestone in the history of space exploration. The achievement has inspired many people to pursue careers in science and technology, and it continues to inspire new generations of scientists and engineers.

**He Orbits Moon Alone**

The Apollo 12 mission is scheduled to land on the moon on November 19, 1969, and it is expected to be the second manned mission to the moon. The landing will be a significant achievement for the United States and will mark the beginning of a new era in space exploration.

**Earth-Bound Travellers Choose Colorful Costumes**

By ELIZABETH FRAZIER

PLEASE THE JOURNAL Reporter

With the rise of budget-conscious travel, earth-bound travellers are opting for colorful and affordable costume options. These include DIY costumes, rented items, and even buying costume accessories online. This trend reflects a shift towards more creative and cost-effective ways to express personal style, even when it comes to travel.

3 Cheers For Nossie

Noisy commotions have been agitated and incited amongst certain segments of society's troubled juveniles.

Nossie is the name given a group of juvenile delinquents who have been agitated by some individuals and who have been causing some disturbances in various sections of the community.

Lately, the beat of Nossie has been heard throughout the streets. This has occasioned some alarm and consternation among the peace-loving citizens of the area.

Born Losers

Our youth is being hit by three diseases, and they are most insidious, as they are started when children are most impressionable.

Is it happening in a typical city this year as it was last year? Is this the year that the time for action is now? If not, the time will come when the time will come.

Whereas, there are said to be many new
