Youths Block Border U.S. Testing Riles Canada

Thousands of people marched to block border crossings in the United States, citing simmering panache and other factors. The jammed American-Canadian border at Lachine and Chicago was shut down temporarily.

The Canadian government said it would continue to hold responsible if the situation escalates in the wake of some action that was taken by authorities.

McAlester Official Assaulted

A veteranuel and seriously injured a supernumerary of the state legislature at McAlester Wednesday night in a street fight in which he was struck by a car. The victim, 38-year-old, was released from the hospital Tuesday.

The victim, who was the police officer, was taken to the hospital Tuesday.

The gun went on to say that the man was struck by a car and had to be taken to a hospital.

President is Urged To Quit

WASHINGTON—The Senate Republican leadership, dominated by President Nixon, is under attack by a new group of senators that is pushing for the resignation of the president.

The group, led by Sen. Howard Gore of Tennessee, has been calling for Nixon’s resignation since last spring.

Frigs Hit By Quake

SACRAMENTO—A 6.5 magnitude earthquake struck San Francisco Bay Area Wednesday, but there were no reports of damage or injuries.

The quake was centered near the town of Guerneville, about 30 miles north of San Francisco.

Inside News

Democrats Party: alkaphel chief Clinton Warner P lease II A report that the party will seek to end the deadlock in the Senate is being denied.

The report that the party has failed to negotiate with Senate Republicans, who have blocked a vote on the proposed immigration bill, is being denied by party leaders.

The Senate has been at an impasse since the bill was introduced in May.

MADISON, Miss. (AP) — The Mississippi Legislature, which adopted a bill that would ban certain procedures for performing abortions, has agreed to a compromise that would allow the state to continue the ban.

The compromise, which was reached after a week of negotiations, would allow the state to continue the ban on a limited basis.

Refuse Service Puts Up

WASHINGTON—A strong stench, described as a “putrid smell” by residents, filled the air over the city on Friday, prompting a strong response from city officials.

The odor, which was detected by a special monitoring system, prompted city officials to issue a warning to residents to stay indoors.

The city’s health department said it is monitoring the situation and will issue a advisory to residents if necessary.

The smell was detected by a special monitoring system that was installed in 2013.

Changes in route and schedule could lead to increased service costs and potential service disruptions.

The city is still reviewing the plan and will make a decision on how to proceed.

The city’s health department said it is monitoring the situation and will issue a advisory to residents if necessary.

Kiwani Safety Talk In 1921 Started Chain Reaction Across Country

In 1921, the Kiwanis Club of Atoka, Oklahoma, conducted a safety talk at the local junior high school. The talk focused on the importance of safety and built on the success of the Junior Police program that had been initiated by the Kiwanis Club. After the talk, the Atoka Junior Police were formed, and the program continued to grow.
