Kennedy Tape May Be Aired

VICE-ADmiral, R. W. Rowell, has a story of what he heard on a tape that could have been recorded on a tape made by the brother of President John F. Kennedy.

The recording was made in the White House in 1961 and was heard by Vice-Admiral Rowell, who has been called before the Senate Select Committee on Intelligence to testify about it.

Rowell testified that the tape contained a conversation between Kennedy and a man named John F. Kennedy, Jr., who was then a college student.

Rowell said that the tape was recorded on a tape made by the brother of President Kennedy.

He also said that the tape was heard by Vice-Admiral Rowell, who has been called before the Senate Select Committee on Intelligence to testify about it.

Washington Merry-Go-Round

Abuse Nourished By Drug Industry

Abuse of drugs has become a significant issue in today's society. Drug addiction not only affects the individual but also their families and communities. The drug industry plays a role in this by marketing substances that can lead to addiction. It is crucial to address this problem and provide support for those struggling with addiction.

The PEOPLE'S Voice

Black Sheep

Black sheep, often referring to individuals who stand out or are perceived as different, can face challenges in society. Despite this, they are essential in bringing new perspectives and ideas to the forefront. It is important to recognize and support these individuals to contribute positively to society.

New Toys Add To Pollution

New toys add to the pollution problem as they often consist of plastic and other materials that are not easily recyclable. This contributes to environmental degradation and poses a threat to wildlife. It is essential to promote sustainable practices in the toy industry to minimize its impact on the environment.

State Editors Say

Morals On The Slide

The decline in moral values is a concerning trend in society. It is crucial to educate future generations about the importance of ethical principles and uphold them as the foundation of our society.

Tax Loss Ban OK'd In Senate

WASHINGTON (UPI) - The Senate Finance Committee on Monday heard a proposal which would prevent states from deducting the taxes they collect on tobacco products from the federal excise tax. The proposal, which was introduced by Sen. Hubert Humphrey (D-Minn.), would prevent states from using the tax deductions to reduce their tax collections.
