Langston May Be Big Loser

It appears the more losers in the pre-
holding the vote of 65,399 or more for
the laudable and far-sighted students
who attended the Oklahoma State Uni-
versity Board of Regents meeting. The
vote was 65,399 for Langston. But
the 65,400 for the re-election of
Jesse A. Washington. It is a matter of
disgust and concern that the adminis-
tration of the college should have
failed to take advantage of the oppor-
tunity to make a stronger showing.

The two legislators who addressed
the board spoke in terms of the need
for a larger enrollment and the need
for a larger budget for the college.
