NIXON ARRIVES IN Peking TO BEGIN HISTORIC VISIT

Police Shot Fatal To Chase Victim

BY JERRY LING

A woman's report revealed that a police applicant shot and killed a man near a home in Oklahoma City. The incident occurred in the early hours of the morning. The suspect, identified as Matthew Williams, had been involved in a domestic dispute with the victim. Williams was later arrested and charged with murder.

NEW YORK (UPI) -- Former President,高等学校 to receive a civic reception in his honor, is expected to attend numerous events during his visit. The reception will be held at the Waldorf Astoria Hotel on May 12th.

Red Shell U.S. Base

JUDKINSON (AP) -- The U.S. military has announced that it will begin the process of decommissioning the Red Shell Airbase near Juddsboro, Tennessee. The base, which has been in operation since 1958, is scheduled to be closed by the end of the year.

3 Killed On State's Highways

Three persons died when their vehicle collided with a tractor trailer on a rural road near Shawnee. The victims, all members of the same family, were killed instantly. The accident, which occurred on a major highway, is under investigation by the Oklahoma Highway Patrol.

Walter Winchell Dies At 74

Los Angeles (AP) -- Walter Winchell, the legendary newspaper columnist, died of a massive heart attack at his home in Beverly Hills. He was 74 years old. Winchell's 50-year career was marked by his controversial and often flamboyant style. He was a key figure in Hollywood gossip columns until his retirement in 1986.

Chinese Reception Subdued

PEKING (UPI) -- President Nixon was greeted by a subdued Chinese reception during his official visit to the People's Republic of China. The welcoming ceremony was held at the Great Hall of the People in Beijing. Nixon was accompanied by First Lady Pat Nixon.

Douglas Ban Lifted

The Oklahoma Senate on Friday voted to lift the ban on smoke machines in schools. The ban, which was put into place in 1983, was lifted after a two-year debate in the legislature. The new law allows schools to use smoke machines for educational purposes.

Believe It or Not!?
Mrs. Seth Shreffler

Politics
Involves
Activist

By DAVID CHASEHEAD

The issue of racial equality in the United States has been a central theme in American politics for centuries. Mrs. Seth Shreffler, a prominent activist, is dedicated to promoting civil rights and social justice for all communities.

Shreffler is known for her tireless efforts in advocating for the rights of women, particularly in the areas of education and voting rights. She has been an influential figure in the National Women's Party, and her advocacy has led to significant changes in the political landscape of the United States.

Shreffler has been a vocal critic of the prevailing attitudes towards women and has worked to change the social norms that perpetuate gender inequality. Her contributions to the cause of women's suffrage and educational opportunities have been instrumental in advancing the rights of women.

Shreffler's activism is rooted in her deep commitment to social justice and her belief in the power of collective action. She has inspired many to join her in the struggle for equality and has become a symbol of hope for those who aspire to a more just society.

Shreffler's work continues to this day, and her legacy serves as a reminder of the importance of continued effort in the fight for social justice.
