State Facing Drought Threat Again

BY ENOCH WEEKHAM
at the farm

Barrenland in Oklahoma is facing a drought threat once more. Last year's devastating drought affected 39 counties in Oklahoma, Texas, New Mexico and Arizona and led to federal disaster declarations for 25 western Oklahoma counties. This year, the state is expecting a similar situation.

The destroyed crops and dried-up ponds that affected last year's drought are expected to continue this year. The state is preparing for the worst-case scenario.

Weather Clearing For Jets

SAGUARO CANYON (AP) - South Vietnamese jets reappeared Monday around a Vietnamese airliner and overflew a group of Friendly柔和 forces who had stationed 10 miles through northern Laos en route to the U.S. military.

The Vietnamese forces were reportedly clearing the area of American and South Vietnamese forces, which had been fighting for control of the area in recent weeks.

Budding Farmers Return To Nature

By LEMIE McKEE

In the wake of the oil crisis and the soaring cost of technology, farmers are turning to more natural methods of farming.

Bethany Teen Killed In Blazing Collision

by NOLO BRANER

The burned remains of a teenaged sports star lie in a keep in an Oklahoma City suburb Wednesday. A young man, 17, was killed in a fiery collision at 21st and Colorado.

The teen had been on his way to school when his car collided with another vehicle.

U.S. Easing Flameproof Rule

WASHINGTON (UPI) - A U.S. Department of Labor official said Tuesday the federal government's new standard for children's sleepwear is designed to prevent deaths and serious injuries from smoke and fire. The rule, which requires all sleepwear to meet certain fire-resistant standards, becomes effective next year.

Panhandle Crash Leaves 10 Dead

DODGE CITY, Kan. (UPI) - Ten people were killed and 10 others were injured when a truck carrying goods to a Colorado restaurant and a fire truck collided with another truck carrying children. The accident occurred near a rural county road about 5 miles west of Dodge City.

Planning Cancer Drive

Making plans for the 1972 American Cancer Society's educational and fundraising campaign in Oklahoma, T. Fred Thompson, executive director of the Oklahoma Cancer Society, said that the organization plans to hold a number of events throughout the state to raise awareness and funds.

State CDA Convention Scheduled

The 50th annual convention of the Arkansas Dentists Association will be held at the Marion Hotel in Little Rock, Ark., from September 6-8. The convention will feature lectures, workshops, and exhibits on various topics related to dentistry.

Vital Statistics

Windshield damages will cost drivers $6.2 billion in 1972, according to the National Safety Council. The council said that the cost of windshield damages is on the rise as motorists drive faster and more aggressively.

Weather Word

The Oklahoma City area is expected to have a high of 76 degrees and a low of 54 degrees on Tuesday, with mostly sunny skies.

Collision Hurts 400

A collision between two trucks on a rural road in Oklahoma killed four people and injured 400 others. The accident occurred near a bridge over a river, and authorities said that alcohol was a factor in the crash.

Threat Posed To Least Tern

SAN DIEGO, Calif. (UPI) - A threat to the least tern, a small seabird, has been reported in the San Diego area. The bird is protected under federal law, and there is concern that development and pollution may be affecting its population.
