Tulsa Turnpike Bill Called Big Risk

By DAVID CRAGLE

The officials of the Tulsa Turnpike Authority are warnings that the nation's largest toll road project may not be a good investment for taxpayers.

The Tulsa Turnpike Authority is planning to build a $1 billion toll road that will connect Tulsa, Oklahoma, with the state capital, Oklahoma City.

The bill passed the House last Thursday in the early morning hours.

The bill, which was sponsored by Rep. Fred Beavers, a Tulsa Democrat, and Sen. John Redman, a Tulsa Republican, was supported by both major political parties.

Seven Minutes of San Francisco: $1.85

During eight to five business hours, Monday through Friday, that's the cost of a seven-minute call from here to San Francisco if you dial it yourself. The One-Plus way, it's figured like this:

First three minutes: $1.25
Extra minutes: $0.60
And if business can wait, One-Plus rates on out-of-state calls are even lower after five.

One-Plus... there's no cheaper way to call Long Distance.
