Wisconsin Primary

State and national candidates struggling for the vote and the nomination.

The PEOPLE'S Voice

Getting The 'Lead' Out

What is a woman's role in all of this? The answer is that she has a significant voice in the election process. For the Wisconsin primary, I am the lead woman. I am the one who will make the decision.

Why is the woman greater than the man? Because she has the ability to think and to reason. She is able to analyze the issues and make informed decisions. She is able to understand the complexities of the candidates and their positions.

Robert Elegant

Man's Search For Unity

When a man is searching for unity, he is looking for a way to bring people together. He is looking for a way to create a sense of community. He is looking for a way to make the world a better place. The man's search for unity is a noble one.

Scrutiny

A man who is being scrutinized is a man who is being looked at closely. He is being watched and observed. He is being examined and analyzed. He is being judged and evaluated. The man who is being scrutinized is a man who is being held to a high standard.

State Editors Say

The answer is Billy Graham.

Baseball's True Color

It is a fact that baseball is being played by people of all races. It is a fact that baseball is being played by people of all colors. It is a fact that baseball is being played by people of all backgrounds.

Quotes

The answer is that baseball is being played by people of all races. The answer is that baseball is being played by people of all colors. The answer is that baseball is being played by people of all backgrounds. The answer is that baseball is being played by people of all nationalities. The answer is that baseball is being played by people of all stripes.

Water Quality Laboratory Opens At OCC

A water quality laboratory has opened at OCC. The lab will be used for testing water samples from various sources to ensure compliance with state and federal regulations. The laboratory is equipped with advanced equipment and staffed by qualified professionals.

'Any Wednesday' To Open Two Runs

The Oklahoma City Community College will host two runs of the musical 'Any Wednesday'. The show will be directed by Dr. John Smith and features an all-student cast. Performances are scheduled for April 1st and April 8th at 7:30 PM in the college's theatre. Tickets are available at the box office.

Group Sets Hat Parade

A group of students from OCC is planning a hat parade as part of their annual spring festival. The parade will feature a variety of creative hats made by participants and will take place on April 3rd at noon in the college's courtyard. All are welcome to attend.

'Carnival Singers' Perform at OCC

The Carnival Singers, a student group from OCC, will perform at the college's annual carnival. The performance will take place on April 2nd at 6 PM in the college's gym. The carnival includes games, food, and entertainment for all ages.

Mac Davis 'To Paint' Girl Gets SAI Award

Sian Miller, a student at OCC, recently received the Scholastic Art & Writing Award for her painting of a girl. The painting, titled 'To Paint', will be featured in a national exhibit. Miller credits her inspiration to her love of art and her creative spirit.

Feedback from the community is appreciated. Please feel free to contact me with any questions or comments you may have.

HARD AZALEAS BLOOM

With the arrival of spring, many people think about their gardens and the care they need to have. Azaleas are one of the most popular flowering shrubs, known for their vibrant colors and beautiful blooms. While they are generally easy to care for, there are a few things you should keep in mind to ensure they continue to thrive. Here are some tips on caring for your azaleas:

1. Watering
Azaleas prefer well-draining soil and require regular watering. During the growing season, they should be watered weekly, or more frequently if the weather is hot and dry. It's important to water deeply to ensure the roots get enough moisture. Avoid wetting the leaves to prevent disease.

2. Fertilizing
Azaleas benefit from regular fertilization to encourage healthy growth and blooming. Use a balanced fertilizer with a low nitrogen content, such as a 5-10-5, every two weeks during the growing season. Avoid fertilizing in the fall to prevent new growth that may not harden off before winter.

3. Pruning
Pruning azaleas is important for shaping the plants and promoting healthy growth. Remove any dead or damaged branches in early spring, and prune away any growth that is crossing or rubbing against another branch. This helps prevent disease and invites new, healthy growth.

4. Mulching
Mulching around the base of azaleas helps retain moisture, suppress weeds, and regulate soil temperature. Use a organic mulch such as compost, leaf mold, or pine bark. Avoid using plastic mulch, as it can create a warm, humid environment that is ideal for disease.

5. Protecting from Pests and Diseases
While azaleas are generally resistant to pests and diseases, they can be susceptible to certain problems such as aphids, scale, and fungal leaf spots. Keep an eye out for these issues and take action promptly if you notice any problems. Use organic controls or biological controls to manage pests and diseases.

By following these care tips, you'll be able to enjoy your azaleas for years to come. Remember to provide the right conditions and regular care to ensure their health and beauty. Happy gardening!
GOSSIP

by Bobbie Adams Sloan

Water Quality Laboratory Opens At OCC

The new Water Quality Laboratory at Orange Coast College was dedicated this week. The new facility is said to be the first of its kind in California and will offer students an opportunity to study water quality in a hands-on environment.

'Any Wednesday' To Open Two Runs

The University of California at Irvine is set to open two runs of the popular musical 'Any Wednesday.' The production will be directed by noted theater director John Guare.

Group Sets Hat Parade

The local hat-making group is preparing for a parade this weekend. The group is expected to create a variety of hats, from traditional to modern designs.

'Foreign Fair' Set At School

A 'Foreign Fair' will be set up at the school to celebrate different cultures from around the world. The event will feature food, music, and traditional arts from various countries.

Mac Davis To 'Paint' Songs For Sooners

Singer-songwriter Mac Davis is set to record songs for the University of Oklahoma Sooners. The songs are expected to be released in time for the school's upcoming football season.

Girl Gets SAI Award

A student at SAI has been awarded a scholarship for her outstanding academic performance. The scholarship will help fund her education for the next academic year.

Cameron Singers

The Cameron Singers are scheduled to perform at a concert this weekend. The group is known for its soulful and energetic performances.

Sunny Singers

The Sunny Singers are set to perform at a local festival. The group is known for its infectious and uplifting music.

Window On The Universe

Sky 'Necklace' A Beautiful Sight

A stunning view of the night sky, resembling a necklace, was captured by local astrophotographer John Johnson. The celestial display is expected to be visible for the next few hours.

Food To Be Distributed

A local food bank is set to distribute food to those in need. The organization is dedicated to providing nutritious meals to those who cannot afford them.

Practical Nurses Receive Licenses

A group of practical nurses has received their licenses. The nurses are now eligible to work in various healthcare settings.
