Nine minutes of New York: $3.25

During eight-to-five business hours, Monday through Friday, that’s the cost of a nine-minute call from here to New York. If you dial yourself the One-Plus way, it’s figured like this:

First three minutes: 81¢ Each extra minute: 95¢

And if business can wait, One-Plus rates on out-of-state calls are even lower after five.

One-Plus...there’s no cheaper way to call Long Distance.
