The Fabulous Onassis

-By CHRISTIAN GABRAH
-From the Courier Post

This interview was held in the
perfectly designed and equipped residence
on the island of Spetses, Greece.
The second time we met, we talked
about Jacqueline Kennedy Onassis.

She was most interested in
her past and present experiences
in America and Greece.

Jacqueline Kennedy
Onassis was born in
Nova Scotia, Canada, on
November 27, 1929.

Her father, John F. Kennedy,
was a US senator and later
became the 35th President
of the United States.

Onassis has lived in several
countries, including Greece,
the US, and France.

She has been married twice,
first to Robert F. Kennedy
and then to Aristotle Onassis.

Onassis was a prominent
figure in the art world and
was known for her style and
fashion sense.

Her book, "The Way to the
South," was published in
1969 and became a bestseller.

She passed away on May
19, 1994, in a hospital in
Manhattan, New York.

Jacqueline Kennedy
Onassis was a powerful
figure in the world of art
and fashion, and her impact
during her lifetime will
continue to be felt for years
to come.
