Suit Asks Convention Halt

Hubert Scoop Call for Democratic Unity

Hubert H. Humphrey and George McGovern have agreed to a “scoop call” bathed in the halo of Democratic unity, but the sweeping program that McGovern had envisaged may be on the rocks.

At a news conference yesterday, McGovern said he was very happy to see Humphrey and McGovern split the convention in two.

But Humphrey refused to call off the convention, saying that it would be “a bottomless pit” if he did.

McGovern said he was “very happy” with the decision, but Humphrey was more cautious.

“While I am pleased with the outcome, I am not sure that it will work,” Humphrey said.

However, Humphrey did say that he would continue to fight for his positions in the convention.

The decision to split the convention has been controversial, with some Democratic leaders calling it a “betrayal.”

But Humphrey said he was confident that the convention would continue.

“I am confident that the convention will continue,” Humphrey said.

SPECIAL TO THE DELI

Hollywood, May 24—Actor James Cagney is out of the hospital and home again. He was operated on for an ulcer in the stomach in a Los Angeles hospital. He is reported to be doing well and will return to work soon.

Cagney was rushed to the hospital last week with a severe case of food poisoning. The doctors said he had a perforated ulcer and was in critical condition. He was operated on immediately and has been recovering slowly but steadily.

Cagney, 56, is best known for his roles in such films as “Yankee Doodle Dandy,” “The Public Enemy,” and “White Heat.” He is also the father of actor Joaquin Phoenix.

City College Enrollment Up

City College enrollment is up significantly this semester, according to President Hall. The university has seen a 10% increase in enrollment compared to last year. Hall attributes this increase to the university’s focus on student success and its commitment to providing quality education.

Boys State Sending Leaders To Capital

Calvary Catholic High School's John Calvert, left, and Brian Williams are among the leaders being sent to the Boys State conference. The conference is designed to teach young leaders about the workings of government and civic engagement. The students will learn about the history of the United States, its constitution, and the role of government in society.
