1976 Completion Date Set For Expressway's First Phase

Central Expressway—Phase Two

By RICHARD PHAE

The first phase of the Central Expressway—Phase Two—will open in early 1976, according to a report in the Tulsa World.

The project will cost $32 million and will extend the Central Expressway from 41st to 51st Street, with a second phase to extend it to 59th Street.

The project is funded by the Oklahoma Department of Transportation and the Tulsa Metropolitan Redevelopment Commission.

Victim’s Widow Sues Homeowner

Mrs. Robert Whitton, 28, of 3807 NW 42nd St.,
was killed when a wall of her home fell and
smothered her. Mrs. Whitton was in the
kitchen at the time of the accident and
was reportedly injured in the fall. She was
married to Mr. Whitton in October 1974.

The tour opened there last night, as an estimated 8,000 people crowded into a large Dallas gymnasium. The show was

More than 12,000 tickets were sold to the Woodstock Tooth Fairy show, and several more groups, "I'm poor," and "I'm not." The show was well received and was expected to continue for at least two more shows.

The group plans to tour for the next few months, and will perform in a variety of venues across the country.

Business Briefs

By NANCY LEWIS

WILLIAM H. MOORE, Oklahoma Gas & Electric Co., Oklahoma City, has been elected secretary treasurer of the Southwest Electric Power Association. Other officers are Vibert M. Doss, secretary; and J. W. Russell, president.

CLARENCE C. LESTER, senior manager of the Dallas State Fair, has been named to an editorial position with the Dallas Morning News. His duties will include planning and directing the state fair's exhibits and entertainment programs.

Walter D. Booth, New York and Texas, Thursday announced that he is now operating on his own account. He recently left the Texas Power Company, Houston, where he was general manager.

White Cloud Coal, New York and Texas, Thursday announced that it will begin operations in the eastern United States with headquarters in New York City. The company was formerly known as the White Cloud Coal Company.

The Oklahoma City Chamber of Commerce has established a new department to handle public relations and advertising, according to C. H. Decker, executive director. The department is expected to increase the chamber's visibility and attract new business to the city.
