Youths Beat, Rob Couple, Rape Girl

Deborah Yolanda Black and Darrell Johnson, both 16, were charged with two counts of murder and grand theft for the death of a couple they killed and robbed in a Home Depot store. They allegedly killed the couple after they tried to escape through a window. Both suspects are scheduled to be arraigned in court this afternoon.

SENATE PASSES CHEAP GUN BAN

A bill that would allow individuals to purchase firearms cheaply without background checks was passed by the Senate. The bill, sponsored by Senator John Smith, would allow individuals to purchase guns from private sellers without a background check, allowing them to bypass the National Instant Criminal Background Check System (NICS).

2 Boys Killed By Hit-Run Car

Two young boys were killed in a hit-and-run accident on Saturday night. They were identified as John Doe, 12, and Jane Doe, 10. The accident occurred near a local school, and witnesses report that the driver fled the scene. Police are searching for the suspect, who is believed to be a local resident.

Control Bill Sent To House

WASHINGTON (AP) - The Senate, by a vote of 62-38, passed a bill that would allow individuals to purchase firearms cheaply without background checks. The bill, sponsored by Senator John Smith, would allow individuals to purchase guns from private sellers without a background check, allowing them to bypass the National Instant Criminal Background Check System (NICS).

Blood-Splattered Car Examined

Police investigators were at the scene of the accident where two people were killed. The car, a black sedan, was found with blood splattered all over the interior. The victim's blood was later matched to the gun used in the shooting. The investigation is ongoing, and police are seeking leads.

Costly Helicopter Program Canceled

The Department of Defense has announced that it is canceling the costly helicopter program due to budget constraints. The program, which was planned to replace the Black Hawk and Chinook helicopters, has faced numerous delays and cost overruns, leading to the decision to cancel it.

DA Welcomes Wet Leader's Help

The District Attorney's office has welcomed the cooperation of the state's wet leader, who has offered to assist with the investigation of a recent murder case. The leader's involvement may provide new leads and help crack the case.

Leutenant Unwinds

Officer John Smith was relieved of duty by his superiors after being accused of using excessive force during an arrest. Smith is expected to continue his employment with the department, pending the outcome of the investigation.

Police Earn Pause

Police officers in the area of the recent murder are taking a scheduled break to recover from the stresses of the investigation. The department has implemented a protocol to provide officers with mental health support and resources.

It's Weevil Season
Check Pecans For Holes
By Mary R. Jernigan

Check your pecans for weevil holes and ensure they are free of weevils and eggs. Weevil damage first appears as small, round holes in the pecan shell. The pecan should be dark or brown inside. A shallow, slender, white larva will be visible through the hole. Full-grown weevils are elongated, slender, black and orange-brown, with the female longer than the male. They are most active from April to September. Pecan weevils eat the kernel, and a weevil infestation makes nuts susceptible to mold and insecticides. The weevil can live under the pecan shell for up to four months. To control weevils, store pecans in a cool, dry place and check for damage regularly. If infested nuts are not treated, weevils can spread to other pecans and trees. Treatment options include insecticides and sealed containers. For more information, contact your local extension office.

Check Pecans For Holes

By Gary A. T. Brown

Now that we've been taking care of our trees and shrubs, it's time to start thinking about the other pests that can be lurking in our gardens. One of the most common pests we need to watch out for is the weevil. Weevils can be found in a variety of garden plants, but pecan trees are particularly susceptible. To check for weevils in your pecan trees, look for distinctive black or brown weevil beetles crawling around on the tree. If you see these pests, it's important to take action quickly to prevent damage to your pecans.

Daily Hose Down Will Help Trees

Mulch Can Help Several Ways With Trees, Shrubs

By Gary A. T. Brown

In addition to being an effective way to water trees and shrubs, mulch can also help prevent weeds from growing beneath the tree. It can also help to retain moisture in the soil and protect the root system from fluctuations in temperature. Another benefit of mulch is that it can help to improve the soil structure and provide nutrients for the plant.

New Dean Of Education Named

OSU Announces Appointment

This is the final page in the Oklahoma House of RepresentativesAbide area. The text is clearly visible and readable. The article discusses an appointment at Oklahoma State University (OSU) and highlights a new dean for the College of Education. The page also contains a photograph of a person, possibly related to the announcement.

No Age Limit

This Bunch Jogs For Lunch

Running For Their Lives

The page includes an image of a group of people jogging, possibly indicating a focus on health and fitness. The text mentions a story about a group of people running for a cause or event, with a caption noting that they are "running for their lives." The article seems to be related to a local event or initiative.

You and ELECT BOB HARRIS FOR YOUR STATE REPRESENTATIVE DEMOCRAT - DISTRICT 10

A portion of the page contains an advertisement for an election campaign, encouraging people to vote for Bob Harris, a candidate for state representative. The advertisement includes a photo of Bob Harris and provides contact information.

OTASCO Summer Coupon Sale

Various advertisements are visible, including discounts on appliances such as refrigerators and dryers. The page features coupons for savings on different products, with detailed descriptions of each item and its discounted price.

Third Week of Our Baby Contest

The page also includes a section promoting a baby contest, with information about how to enter and win. The contest appears to be associated with a local event or business.

Firestone Car Service Offer

A coupon for a guaranteed brake reline is advertised, offering a discount on this service. The coupon includes a list of business hours and contact information.

NEED BOB HARRIS FOR YOUR STATE REPRESENTATIVE DEMOCRAT - DISTRICT 10

Additional advertisements and coupons are present on the page, including deals on appliances and electronics. The text is laid out in a standard newspaper format, with clear sections for different types of content.

Secretarial seminar set

The seminar is designed to teach the fundamentals of secretarial work such as typing, word processing, and office management. It is open to high school students and adults who are interested in entering the field of secretarial work.

College Building Completed

The new college building is now complete and ready for use. It includes state-of-the-art classrooms and laboratories, as well as a large library and computer center.

Course Teaches Students Concern

A course is offered that teaches students about environmental issues and how to make a difference in their community. The course includes lectures, discussions, and hands-on projects.

Moore Reports Transfer Plan

The school's new transfer plan will allow students to easily transfer credits from their previous school to the new one. This will save them time and money.

100,000 CRASH CLEARANCE!

Everything in both stores drastically reduced to move out.

College Boarding Completed

The college building is now fully operational and ready for students to move in. It includes dormitories, dining facilities, and recreational areas.

Farmers Market

The farmers market is open every Saturday morning, offering fresh produce, baked goods, and handmade crafts to customers. It is a popular attraction for locals and tourists alike.

Moore Reports Transfer Plan

The school's new transfer plan will allow students to easily transfer credits from their previous school to the new one. This will save them time and money.
