Bread Price Hike Asked

WASHINGTON, D.C. — The baking industry Thursday asked the Civil Aeronautics Board to suspend investigations into bread prices — even on items containing federal-procured goods — to prevent the government from compromising its priceceilings policies. Baker's were worried the CAAB would refuse to make an order ordering the price of bread permanents, or even if the board did refuse to make an order on the price of bread permanents, they said that without immediate action, bread prices would be too high for American families to afford. ABAI spokespeople said they were responding to a “community” request to suspend bread’s cost ceiling for one year at least.

The proposal followed several recent violent attacks on bakers’ expensive breads by community members, including a looting of several bakers. The proposal, which was presented to the CAAB Thursday, was described as a “no-win” situation for both parties.

The board said it had decided to suspend the price investigations to allow the bakers to resume their normal operations. The board also said it would be looking into the possibility of a permanent price freeze on bread.

Fallout Of Political Hoopla

As the 1972 political conventions approach, it becomes increasingly clear that the gravity of the task facing the public is on the line. The political parties are scrambling to present their candidates in a manner that will attract the largest possible number of votes. This is no easy task, given the complexity of the issues involved. The public is aware of the problems facing the nation, but they are also aware of the need for decisive action.

State Editors Say

Laughing At Oklahoma

It is hard to believe that the state of Oklahoma is the only state in the union that does not have a public radio station. This is a fact that is often overlooked, but it is an important one. The lack of public radio in Oklahoma is a reflection of the state's lack of commitment to education and the arts.

Capitol Hill History

Revival in 1902 Marks Start of Great Church

In 1902, a small group ofịnh elders met with the Twenty-Fifth Street Baptist Church to discuss the possibility of building a new church in the Capitol Hill area. This group, led by Rev. C.L. Green, began by purchasing a lot on Twenty-Fifth Street and Thirty-Second Avenue in 1902. The cornerstone for the new church was laid on March 2, 1902, and the church was completed and dedicated on November 11, 1902.

Second Building

This building was constructed in 1923 to accommodate the growing membership of Capitol Hill Baptist Church. The building was constructed of brick and stone and has a large auditorium and classrooms. It also has a large organ and a fine chandelier. The church was dedicated on October 31, 1923.

Under Construction

The new sanctuary was completed in 1931 when the old building was torn down to make way for the new sanctuary. The new building was dedicated on February 10, 1931.

Bumpas Ministry Spans 4 Decades

For more than a quarter of a century, the tumors of Capitol Hill Baptist Church have been on the rise. Dr. R.K. Bumpas has served as pastor of the church for the past 30 years. Under his leadership, the church has grown from a small congregation to a bustling community of faith. During his tenure, the church has experienced significant growth in membership, attendance, and financial stability.

Bumpas Family

The Bumpas family was a pillar of strength, and when Dr. Bumpas was a young boy, his father, Dr. H.R. Bumpas, served as pastor of the church. This tradition continued when Dr. Bumpas, a son of the late Dr. H.R. Bumpas, assumed leadership of the church.

Dr. H.R. Bumpas

In 1961, Dr. H.R. Bumpas was called to serve as pastor of Capitol Hill Baptist Church. Under his leadership, the church experienced significant growth in membership, attendance, and financial stability. During his tenure, the church was recognized as one of the largest in the city.

Day Care Centers

Day care centers are essential to the well-being of many working mothers. These centers provide a safe and nurturing environment for children while their parents are at work. The church has a strong commitment to supporting these centers, and many of its members volunteer their time and resources to help them.

Pastoral Staff

The pastoral staff is the heart and soul of any church. At Capitol Hill Baptist Church, we are blessed with a dedicated team of leaders who are committed to serving the Lord and His people. Our staff includes experienced pastors, teachers, and administrators who are dedicated to building a strong faith community.

Church Well Staffed

With a dedicated team of workers, we are confident that Capitol Hill Baptist Church will continue to grow and thrive for many years to come. Our staff includes experienced pastors, teachers, and administrators who are dedicated to building a strong faith community.

Dr. Scantlan To Preach At Special Observance

Baptist General Convention of Oklahoma held a special observance at Capitol Hill Baptist Church in Oklahoma City to observe the 50th anniversary of the church’s founding.

The observance was held on Sunday, June 11, 1978, at 3:00 p.m., and was attended by over 1,000 people. The observance included a special service, a testimonial program, and a special message from Dr. Scantlan.

Dr. Scantlan was the first pastor of Capitol Hill Baptist Church, and served as pastor for 25 years. He was succeeded by Dr. Jones, who served for 15 years.

The observance also included a special presentation of the church’s history, and a special program for the children.

The observance was well-attended, and was a great success. It was a wonderful way to celebrate the 50th anniversary of Capitol Hill Baptist Church, and to honor Dr. Scantlan for his many years of service.
Debt-Free Church Begins Plans For New Building, More Buses

Dr. Hugh B. Bowers, pastor of Capital Hill Baptist Church, announced the debt-free program made possible by a $10,000 gift to the church's first building campaign. The church will celebrate its 70th anniversary in 1966.

The pastor also reported expected triple growth in six activities and all church buildings. He noted: "A new ministy is on the horizon, a new thrust for the church.

"We want to maintain the church's growth and new churches built by the gift of this new building." The church will continue with its current mission to serve the community.
