Illegal Demo Fund Alleged

KAUFMAN (AP) - Republicans National Committee official Nancy M. Brinkman accused the Democratic National Committee and the American Labor Party of using $70,000 in national Demo- cratic party money from a campaign fund to "defrock" a prominent member of the American Labor Party and reimburse Democratic party officials.

The committee's treasurer, John F. Lachman, said the fund had been set up to "defrock" a member of the American Labor Party who had been expelled from the party. The committee's chairwoman, Nancy M. Brinkman, said the fund was a "defrock" fund that had been set up to "defrock" a member of the American Labor Party who had been expelled from the party.
