Senate OKs Arms Pact

WASHINGTON — The Senate voted Thursday to a fugitive was able to escape.

In the Senate there were no objections.

DO YOU ever step over to the Ten Commandments on the Ten Most Wanted List. "There is no sin in what you are doing," said the man at the door. "The Ten Most Wanted List is a reminder of the Ten Commandments." It is not a government list, but a reminder of the Ten Commandments.

South America is one of the few regions in the world where there is no sin in what you are doing. The Ten Most Wanted List is a reminder of the Ten Commandments.

5-Year Formula Reached

WASHINGTON (AP) — House and Senate negotiators agreed Thursday on a five-year defense budget to guide the 92nd Congress in coming years. The $104 billion formula would be used to handle the defense budget for the next five years.

The formula is based on the average of the last five years of the defense budget, which is used to guide the 92nd Congress in coming years. The $104 billion formula would be used to handle the defense budget for the next five years.

The five-year budget is the first since 1974 to include a formula for funding the defense budget. It was developed to avoid the cuts in defense spending that have been made in recent years.

Sooner Sells Wheat To South America

By GLORIA LUMACK

Wheat, Oklahoma City's largest export, is finding new markets. A recent sale to Argentina is the latest example. The wheat was shipped on the SS "Freedom," a large freighter that sails weekly between Oklahoma City and Montevideo. The sale included 50,000 tons of wheat, which has been processed and packaged at the Oklahoman Mills. The state's wheat industry is expected to have a record-breaking year, with exports increasing by 20%. The trend is expected to continue as more countries seek to diversify their economies and reduce dependence on imported food. The sale to Argentina is a testament to Oklahoma City's global reach and the importance of agriculture in the state's economy.

Expelled Student Held In Incident

A black youth, 13, has been arrested for attacking a white girl in a campus bathroom. The incident occurred during the lunch hour, and the victim is reportedly recovering from her injuries. The suspect, who is a student at South High School, was expelled from the school and is currently being held in a juvenile detention center. The school administration is conducting a thorough investigation, and no other students have been identified as suspects. The school is offering counseling services to all students affected by the incident, and parents are encouraged to talk to their children about the importance of respect and tolerance.

Student Leaders Report Schools Calm

The recent incident at South High School has sparked concern among students and parents. However, the school administration is working hard to ensure that the campus remains a safe and welcoming environment. The school has increased security patrols, and counseling services are available to all students. The school is also emphasizing the importance of respect and tolerance, and is encouraging students to report any incidents of discrimination or harassment. The school is committed to providing a positive learning environment for all students.

Director Named For Planetarium

The Oklahoma City Museum of Art has named a new director for its planetarium. The new director, a veteran of the planetarium field, brings a wealth of experience to the position. The planetarium is currently undergoing renovations and is expected to reopen in the fall. The museum is working to increase its outreach programs and to engage the community in the sciences. The new director is eager to work with the museum's staff and community partners to create new and exciting programs.

Law Center Design Unveiled

The new law center is scheduled to open in the spring of 2024. The design, which was unveiled last week, is a modern take on the traditional law center. The building is located in the heart of downtown Oklahoma City and will provide state-of-the-art facilities for the Oklahoma Bar Association. The design features sustainable materials and energy-efficient systems, and is expected to receive a high rating from the U.S. Green Building Council. The law center is a testament to the importance of the legal community and its role in our society.
