New Soviet Bomber Revealed

LEONARD — A new Soviet long-range bomber, the Tu-22M3, has been revealed in Russia. The new bomber is capable of carrying a variety of weapons, including nuclear bombs and cruise missiles. The Tu-22M3 is expected to enter service in the next few years, replacing the Tu-22M2, which has been in service since the 1980s.

Nobel Peace Prize Withheld

BONN — The Nobel Peace Prize has been withheld for the first time in the prize’s history. The Nobel Peace Prize is awarded annually to individuals or organizations that have made significant contributions to peace and international cooperation. The prize is awarded by the Nobel Committee, which is composed of five members selected by the Swedish Academy.

Fissures Erupts

Over Grant

HELSINKI — The Finnish government has been criticized for granting a large amount of money to a group of scientists. The grant, which totaled $10 million, was awarded to a group of scientists who were studying the effects of climate change on the Arctic region. The grant was funded by the European Union, which is the largest funder of scientific research in the world.

Mao Approves Japan Accord

TOKYO — The Chinese government has approved an agreement with Japan that will allow Japanese companies to invest in China. The agreement is part of China’s efforts to attract foreign investment and stimulate economic growth. The agreement is expected to be signed in the coming weeks and will allow Japanese companies to invest in China’s manufacturing and services sectors.

Territorial Measures Supported

WESTERN CANADA — The territorial government has announced plans to introduce new measures to support small businesses. The measures include tax breaks, grants, and loans for small businesses. The government has also announced plans to provide training programs to help small businesses to grow and expand.

State Firms Urged To Exploit Exports

A report on the Southeast Michigan Chamber of Commerce has highlighted the importance of exports for the local economy. The report notes that the region has a strong tradition of exporting goods and services, and that the local government should be doing more to encourage exports. The report recommends that the local government provide incentives to businesses to encourage them to export their products.

Ruckelshaus Bares Environmental News Both Good, Bad

EPA Head
Gives Help
To Dewey

Texas Gov. Dolph "Dub" Dye's fervent plea to the Environmental Protection Agency for assistance in battling the state's pollution problem appears to have hit a roadblock. The head of the EPA, William Ruckelshaus, is in Washington this week meeting with top Democrats in Congress to discuss environmental issues.

Ruckelshaus is scheduled to meet separately with Senate Majority Leader Bob Dole and House Speaker Tip O'Neill. He is expected to press the administration for more money to fight pollution and help states meet federal standards.

The meeting has come at a time when the administration's budget for 1977 contains no new money for pollution controls. White House officials say the president is likely to propose no new pollution controls for 1977.

Ruckelshaus also is expected to urge more aid for tracking pollution...

New Educational Approach Planned

By JACK TATTERSALL

A new educational approach is being developed at the University of Oklahoma's College of Education. The approach, known as the "Enrichment Program," is designed to provide a more personalized and flexible education for students. The program will allow students to choose from a variety of courses and learning opportunities, including on-campus and online options. The program is expected to be implemented in the fall of 2023. For more information, contact the College of Education at 405-325-5000.

New Educational Approach Planned

By DAY ARRANT

A new and unique approach to education is taking the form of a pilot and demonstration project at the elementary schools in the Delaware School District. The project is designed to provide a new and innovative way of teaching and learning, which is expected to benefit both teachers and students.

The approach involves the use of small, cooperative learning groups. In these groups, students are encouraged to work together, share ideas, and support each other. The goal is to create a more interactive and engaging learning environment.

Youngsters Promote Health

Youngsters in the Delaware City area are taking steps to promote health and wellness in their community. The project, which is part of the Healthy Kids Club, encourages children to adopt healthy habits and make informed choices about their health.

Pork Goes Elegant

PORK ROAST—To ease the food budget this fall, the pork products of the seasonal fall are available in abundance and at a low cost. This inexpensive meat is deliciously prepared in many ways, from traditional roasting to contemporary cooking techniques. Pork can be an excellent choice for budget-conscious meals. Here are a few suggestions for incorporating pork into your fall recipes:

- **Traditional Roast Pork**: A classic choice for family dinners, this dish is simple to prepare and packed with flavor.
- **Pork Chops**: Sautéed with herbs and served with a side of steamed vegetables, this meal is both rustic and refined.
- **Pork Tenderloin**: A lean cut of pork, this piece can be roasted or seared for a delicious, low-fat option.
- **Pork Roulade**: A rolled pork dish filled with herbs, cheese, and vegetables, then baked to perfection.
- **Pork Tacos**: Seasoned pork is piled into tortillas and topped with fresh ingredients like lettuce, tomatoes, and sour cream.

French Country Style: A rustic and hearty approach to cooking, French Country style is all about simplicity and quality ingredients. It emphasizes French classics such as salads, pizzas, and soups, typically served with fresh bread and a side of French wine.

**French Country Salad**

*Ingredients*
- Fresh greens (mixed lettuce, kale, or spinach)
- Sliced boiled eggs
- Sliced olives
- Cherry tomatoes
- Sliced cucumber
- Crumbled feta cheese

*Assembly*
1. Arrange the greens on a serving plate.
2. Place the sliced boiled eggs, olives, tomatoes, and cucumber around the greens.
3. Sprinkle crumbled feta cheese over the top.
4. Drizzle with your favorite vinaigrette and serve with a crusty baguette.

**French Country Soup**

*Ingredients*
- Diced onions
- Diced carrots
- Diced celery
- Cubed potatoes
- Chicken broth
- Diced tomatoes
- Diced green beans
- Diced green peas
- Chopped fresh parsley

*Preparation*
1. In a large soup pot, sauté the onions, carrots, and celery in olive oil until tender.
2. Add the cubed potatoes, diced tomatoes, green beans, and green peas, and stir to combine.
3. Pour in the chicken broth and bring to a boil.
4. Reduce heat, cover, and simmer for about 30 minutes, or until vegetables are tender.
5. Season with salt and pepper to taste.

Elderly Set For Musical Saw Lessons

A Missouri nursing home is allowing its elderly residents to enjoy a musical saw performance. The performance is set to take place at the facility, where residents will be able to experience this unique and entertaining form of musical art. The facility is committed to providing a variety of activities to enhance the quality of life for its residents. The musical saw performance is one such activity, designed to engage the senses and provide a fun and educational experience. The nursing home is located in Springfield, Missouri, and serves as a Model City for the National Center for Lifelong Learning. It is funded by the Missouri Department of Higher Education. The facility offers a wide range of services, including assisted living, memory care, and skilled nursing care. It is staffed by highly trained professionals who are dedicated to providing the best possible care for its residents. The nursing home is proud to offer a variety of activities and programs to keep its residents active and engaged. The musical saw performance is just one of the many activities that the nursing home offers, and it is expected to be a memorable and enjoyable experience for everyone involved.
**Punt, Pass Kick Meet To Be Run**

Boys between the ages of 6 and 18 from the Midwest area are invited to participate in the first annual Punt, Pass and Kick competition scheduled for 9 a.m. Saturday at Rose Field. Sponsored by the Midwest City Jaycees, the competition is a), a foul ball, or a foul tip. The ball may be thrown in any direction, and the batter must direct the ball to the area designated by a line extending from the foul pole.
