Nixon Never Planned
Pre-Election Truce

By SHERMAN WARKER

The White House announced yesterday that the President had never intended to offer the Vietnam peace plan to the nation on Oct. 31, before the November election, according to a statement issued by Secretary of State William P. Rogers.

The announcement was made during a briefing at the Pentagon, where Secretary Rogers was joined by Secretary of Defense Melvin R. Laird and Secretary of the Navy Paul B. Galvin.

Rogers said the President had never intended to offer the peace plan to the nation before the election.

The statement was made in response to criticism from some members of Congress that the President had not been forthcoming in his efforts to negotiate a peace settlement in Vietnam.

The announcement came as the United States continued to negotiate with North Vietnam in Paris, where talks are expected to continue for another week.

15 Winners

Pittsburgh radio station WPGM announced yesterday that the winner of the 15th annual "Top O' the Morning" contest is "Chuck E. Cheese," a young boy who has won the contest five times.

WPGM said the contest is one of the most popular in the city and that the winner is chosen by the station's listeners.

The appeal, which was launched in September, sought to raise $7 million for the Democratic party in Oklahoma.

In addition to the $6.7 million raised, the appeal also received $1.4 million in corporate contributions.

Stress

Many people feel pressure and anxiety while driving. A study by the National Highway Traffic Safety Administration found that drivers who experience stress and frustration while driving are more likely to engage in risky behaviors such as speeding, running red lights, and tailgating. These behaviors can lead to accidents and harm to others. Drivers are encouraged to practice stress management techniques, such as deep breathing and mindfulness, to help reduce the impact of stress while driving.

Peace

The concept of peace is often associated with the absence of conflict and violence. However, peace can also be seen as a state of mind and well-being. It is important to maintain a peaceful attitude in order to promote harmony and understanding in one's life and in society.

Part-Time Generals Upset National Guard Workers

By MIKE GIBBONS

The Oklahoma National Guard has been hit hard by a shortage of leadership, with many of its senior officers leaving the service. This has led to a loss of experience and a decrease in morale among the rank and file, according to a recent report by the Oklahoma National Guard bureau. The lack of adequate leadership has been exacerbated by budget cuts and other factors, leading to a decrease in resources available to the guardsmen. The situation has been further complicated by the recent departure of several key officers, including the chief of staff and several other high-ranking officials. The National Guard has been forced to rely on a number of part-time generals, who are not as well trained or experienced as their full-time counterparts. This has raised concerns among the rank and file, who feel that the part-time generals are not up to the task of leading the guardsmen. The National Guard has been working to address these concerns, but the situation remains difficult.

Fruitcake's Full Of Flavor, Grandmother's Goodness

Grandmother's famed recipe for Fruitcake is a family treasure. We've painstakingly recreated it to bring the same delicious taste you remember from childhood.

INGREDIENTS:
- 1 1/2 cups sugar
- 1/2 cup butter
- 2 cups flour
- 2 eggs
- 2 teaspoons baking soda
- 1/2 teaspoon salt
- 1/2 teaspoon vanilla
- 1 cup raisins
- 1 cup walnuts

DIRECTIONS:
1. Preheat oven to 350°F.
2. Cream sugar and butter until light and fluffy.
3. Add eggs, one at a time, beating well after each addition.
4. Mix in flour, baking soda, salt, and vanilla until just combined.
5. Fold in raisins and walnuts.
6. Pour batter into greased loaf pans and bake for 1 hour or until a toothpick inserted in the center comes out clean.
7. Cool on wire racks before slicing.

Serve warm or at room temperature for the best flavor experience. Enjoy the comforting taste of Christmas with Grandmother's Fruitcake. It's the perfect treat for family gatherings and a delicious way to bring back memories of Christmas past.

Part-Time Generals Upset National Guard Workers

By Jack Baecy

The Oklahoma National Guard's plan to use part-time 'generals' is causing consternation among national guardsmen across the country. Guardsmen are up-in-arms and feel the order is an attack on their professionalism and commitment to the service. The move is seen as a slap in the face to the thousands of Guard members who serve on a voluntary basis, often times sacrificing personal time and resources to serve their communities and their country. The National Guard has been around for over a century and is a vital part of the U.S. military. The part-time generals are seen as a way to cut costs and add flexibility to the Guard's operations. However, Guardsmen feel the move is disrespectful and demotivating.
