Time Now To Look Around

The world is looking at us. The world is waiting.

"We must act now," says the world. "The world wants us to act now.

"The world is waiting for us," says the world. "The world is waiting for us to act.

"We must act now," says the world. "The world is waiting for us to act.

"We must act now," says the world. "We must act now."

National Council Accredits OCC

The National Council for Accreditation of Occupational Education and Training has accredited the OCC Districts.

Districts

Several OCC Districts have been accredited by the National Council for Accreditation of Occupational Education and Training.

Vote

The OCC Board of Trustees will hold a vote in January to consider the accreditation of the OCC Districts.

Christmas Lights Aren't Only Ones Burning Late At CSU

By, John Smith

The lights on campus are still shining bright and early, even as the holidays come to a close. The students have been getting ready for finals, and the campus has been decorated with holiday cheer.

Key Club Sets Event

The Key Club is having a holiday event on December 15th to raise funds for a local charity. The event will feature a silent auction and a raffle.

It's A Fascinating Business

$16 Million On Toys? That's What City Man Spends

A city man, who has spent more than $16 million on toys, has announced that he plans to spend another $1 million on toys for the holidays. The man, who is known in the toy industry as "Mr. Toy," stated that he believes that toys are a valuable investment and that they provide a sense of joy and wonder for children.

OU Students Publish Poem

The poem "A Dream of the Toy Store" has been published in the local newspaper by a group of OU students. The poem, which was written by a fourth-year student, describes the magic of a toy store and the joy that can be found within its walls.

Board Seeks Project Land Sites

The city is seeking project land sites for the development of new facilities. The city is looking for sites that are suitable for the development of a new sports complex, a new park, and other public facilities.

Regional Training Site Due At ORJC

The ORJC will soon be opening a regional training site in the city. The site will provide training opportunities for residents and will be a valuable resource for the community.

All of us at OG&E say Thank You, CITIZENS OF DEL CITY, for your VOTE OF CONFIDENCE!

We sincerely appreciate the generous support of confidence and faith in OG&E you displayed by renewing our electric franchise last Tuesday.

We have reinterpreted as the obligation and duty to continue serving you with prompt service and economical, efficient service. We pledge our utmost effort to continue meeting these goals.

Sincerely,

Your Friends At OG&E

J.L. Farmer, District Manager

West Point Proud Of Alumni, Too

Vinte! MacArthur, Pershing

Oct. 28, 1952

The 30th anniversary of the entrance to the United States Military Academy at West Point was celebrated in a manner fitting the high purpose of the institution, more than 100 years old. A program of activities was planned throughout the month of October to mark the occasion.

Among the events were a reunion of the 1843 class, the first group to enter the Academy. The original class of 1812 also participated in the observance.

A special feature was a demonstration of the use of bayonets and small arms, which took place in the Academy Parade Grounds.

The highlight of the week was the Academy's annual football game against the University of Virginia, which was won by the Cadet team 17-7.

The entire October 1952 issue of The United States Military Academy, known as The Cadet, was devoted to the 100th anniversary of the Academy.
Citizens To Review Comprehensive Plan

The Citizens Review Panel will hold its second of two public meetings on Saturday, April 1st, in the City Hall meeting room at 7:00 p.m. The meeting is open to the public and will provide an opportunity for citizens to review the comprehensive plan and provide input.
