Save money 3 ways on great little cars from Chevrolet, Pontiac, Oldsmobile and Buick.

GM's $200 OR $500 REBATE

One of the best things about owning a small GM car is that you can make it go farther. For example, the Chevrolet Vega and Pontiac Astre have models available with 4- or 6-cylinder engines, delivering the best gas mileage in the EPA ratings. For example, the Vega 3800 model delivers a 39 mpg highway and 30 mpg city. And in the city tests, the Vega got 27 mpg and the Astro 27 mpg, which is also very impressive.

Our two Chevys, 310 and 320 models, have excellent performance in the EPA tests, too. The 310 with standard 4-cylinder engine and 4-cylinder engine got 29 mpg on the highway and 21 mpg in the city test. And the 320 with 6-cylinder engine delivered 25 mpg on the highway and 18 mpg in the city.

In addition, our two Oldsmobile models, the 442 and 455, could save you up to $200 in fuel savings and $500 in overall savings compared to conventional maintenance.

LOWER OPERATING COSTS

If you followed our owner's manual for recommended service, we expect the 1977 Chevrolet Vega using unleaded fuel could save you up to $500 in parts, lubricants and labor compared to a conventional maintenance schedule. In addition, our two 6-cylinder models could save you up to $300 in fuel savings, while our 4-cylinder models could save you up to $100.

GM's money-back guarantee covers all models from Chevrolet, Pontiac, Oldsmobile and Buick.

Cold Front Moving In

Some areas will have rain, and others will be sunny, but the overall weather pattern is expected to be mild. The high pressure system will continue to move north and the cold front will move south, bringing cooler temperatures to the area. The National Weather Service is predicting a chance of rain and thunderstorms later today.

Burn Victim Found

A burned man was found dead in a vacant building in the city's downtown area. The man, who appeared to be in his 30s, was discovered by a passing pedestrian who called 911. The man's body was removed by the coroner's office and an investigation is underway to determine the cause of death.

School

A school prepared for a fire drill today, and the students were evacuated to the nearby park. The drill was conducted by the local fire department, and the students were required to wear hats and cover their faces with bandanas to protect them from smoke. The drill was conducted to test the school's fire safety procedures and to ensure that the students know what to do in case of a real emergency.

Police

A missing child was found safe and unharmed after a search by police. The child, who appeared to be around 6 years old, was last seen playing in the park. The child's parents were notified and the child was reunited with them.

Fire

A fire broke out in a warehouse in the city's industrial area. The fire was contained to the building, and no injuries were reported. The cause of the fire is under investigation, and the fire department is working to determine the cause.

Early Politics And Feuds Parallel Present Trends

The political landscape has changed dramatically over the years, but there are still parallels to be drawn between past and present. Just as there were feuds and controversies in the past, there are today.

Best Hedge Against Inflation Or Recession Is To Improve Home

Inflation and recession can be tough on our financial well-being. However, one of the best ways to hedge against these economic challenges is to improve your home. This not only adds value to your property but also enhances your quality of life.

Lash Says Board Working On Plan

The State Council of Board has begun talking on ways to ensure that the state's gambling industry remains competitive. Governor Lash has agreed with a request by the Johnstown gambling companies to increase the state'sstamp fee, which is currently set at 10%. This decision was announced during the recent meeting of the council.

Lash added that the increased fees will help fund essential services and programs. He also emphasized the need for a fair and competitive system to ensure that gambling companies thrive.

A meeting was scheduled for Wednesday to discuss further options for increased fees and the impact on the gambling industry.

TV MAILBAG

Any idea why the new show "Believe It or Not!" is being canceled? What a waste of talent!

"The "Believe It or Not!" show was canceled after the show lost its audience. The series was expected to be renewed, but due to the poor ratings, the network decided to cut its losses. The show's content was not well-received by the viewers, and the ratings were declining each week. The decision was made to save resources and energy for other projects that would benefit the network in the long run."

STORE CLOSING RUMMAGE SALE

MIDWEST CITY STORE ONLY

"The store is closing, and we are having a rummage sale to sell off our remaining inventory. All items are priced to sell, and we are open from 9 AM to 6 PM. Come and grab a bargain before we close the doors for good."

American
School Official’s Funeral Planned

HONDA - Joe Marie Guible, 99, former assistant principal at Honza High School, died Monday in Oklahoma City. Services will be today at 10 a.m. at the Community Church. Burial will be in the local cemetery. She was a member of the Board of Directors of the Oklahoma City Schools. She is survived by her children. "Honza's" special event is being held tonight at 8 p.m. at the school. The event is open to the public.

Former Jurist’s Rites Set

ALABAMA - Former Alabama Supreme Court Justice John R. Smith was remembered at a memorial service in Mobile. Smith served on the court from 1964 to 1979 and was known for his work in civil rights and education. He passed away last week. The service was held at the Mobile Cathedral. Smith was a long-time resident of Alabama and was instrumental in the state's educational advancements.

Rebirth of Will's Humor Needed, Farm Union Told

BETTSVILLE - The Oklahoma Farm Bureau is planning a series of events to remember Will Rogers, the legendary humorist and acclaimed actor. The events will focus on the importance of humor in our lives and how it can bring people together. The idea is to keep Will's legacy alive.

Inflation Dips in January

WASHINGTON - The Consumer Price Index (CPI) decreased slightly in January, indicating a slowdown in inflation. The index, which measures the cost of a basket of goods and services, was down 0.1% from December. The Federal Reserve has been monitoring inflation closely, and this decrease is likely to provide some relief.

Wildlife Evaluation Planned

Oklahoma Wildlife Conservation Commission chairman John S. Miller announced a series of meetings to evaluate the state's wildlife management practices. These meetings will be held in various locations throughout the state and will include input from agency officials and the public.

Ingram To Speak At OBU Event

BRANSON - Dr. J.D. Ingram, executive director of the National Rifle Association, will be the featured speaker at an OBU event in Branson. Ingram will address the audience on the importance of gun rights and the need for continued vigilance in protecting these rights.
