**Ex-Con Sought In Clerk Murder Quiz**

*BY STEVE BOWMAN*

**The Arkansas Journal**

Little Rock police have launched a murder investigation into the death of a former state employee who was found dead in a parking lot last week.

The victim, identified as John W. Johnson, was a junior clerk at the state's Department of Revenue in Little Rock. Police said Johnson was shot to death on Wednesday evening.

Johnson had been working at the Department of Revenue for about two years. He had previously worked for the state's Department of Education, where he served as a teacher.

The police are seeking anyone who may have information about the case.

**Burn Center Gets Backing Despite Boren Opposition**

*By Rolland Davis*

**The Dallas Morning News**

The Dallas Burn Center has been receiving support from the state legislature despite opposition from Republican state Rep. Boren, who has argued that the center is too expensive.

The Burn Center, located at Parkland Hospital, has been struggling to secure funding in recent years. Boren, a strong critic of the center, has emphasized the high cost of the facility.

However, other lawmakers have expressed support for the Burn Center, noting its critical role in treating burn victims.

A bill was introduced in the state legislature to provide additional funding for the Burn Center.

**World End Postponed By Sect**

*By L. G. Lee*

**The Sun**

Word has been received from a special delegation that the world end date has been postponed.

The delegation, led by representatives from various religious groups, has confirmed that the end of the world will not take place as previously stated.

The delegation explained that further study and analysis have led to the postponement of the event.

**DST Nixed By Readers**

Readers voted against Daylight Saving Time (DST) by overwhelming majority.

Comments ranged from "I like to watch the sun set when it's warm" to "I hate DST because it means I have to get up an hour earlier."
National Briefs

Tax Cut Gets Ford Priority

WASHINGTON (UPI) - A reporter said President Ford was expected to receive a $5 billion tax cut proposal from Treasury Secretary Albert A. LoginForm, which is to be submitted to him early this week. The proposal would involve a large-scale reduction in tax rates, and is a significant step in the administration's efforts to stimulate the economy and reduce budget deficits.

Durable Goods Orders Drop

WASHINGTON (UPI) - The Commerce Department reported that durable goods orders in December fell by 1.5 percent, the first decline in six months. The drop was attributed to a slowdown in capital investment spending, as businesses became more cautious in their spending.

NULD Nominee Testifies

WASHINGTON (UPI) - NULD Nominee John P. Connelly testified before a Senate committee that the organization's mission was to promote unity and peace in the Middle East. Connelly, a former diplomat, emphasized the importance of international cooperation in resolving regional conflicts.

Crude Spills Into Lake

MEXICO CITY (AP) - A pipeline leak has caused a crude oil spill into Lake Texcoco, one of the largest lakes in Mexico. Authorities are working to contain the spill, which threatens to affect local agriculture and tourism. "It's a major problem," said a government official. "We're doing everything we can to minimize the impact on the environment and the local community."

Bridge Victim Recovered

WASHINGTON (UPI) - The body of a victim who fell from a bridge last month has been recovered. Police say the individual was attempting to suicide and fell over the bridge. "We're still investigating the circumstances of the death," said a police spokesperson.

Penn Central Aid Rushed

WASHINGTON (UPI) - The government has rushed aid to Penn Central, the struggling railroad company, in an effort to prevent its collapse. "We're doing everything we can to support Penn Central," said a government official. "They need help to stay in business."}

College Enrolments Soar; Funds Sought

WASHINGTON (UP) - The number of college enrolments has soared, with many institutions reporting enrollment increases of over 20 percent. University officials say they are facing a funding crisis, as state and federal funding has not kept pace with rising enrolments. "We need more money," said a university president. "Our students deserve better."}

Rape Suspect Gets Deferred Sentence

By LARRY CHABAN

A rape suspect in a Kansas City, Missouri, case has been granted a deferred sentence. The defendant agreed to undergo counseling and community service, instead of serving time in jail.

Father Of Missing Girl To See Body

By LARRY CHABAN

The father of a missing girl is scheduled to see his daughter's body this week. "I want to hold her in my arms," said the father. "I need to see her one last time."}

Retirement Rule Upheld

WASHINGTON (UPI) - The Supreme Court upheld a rule that restricts the retirement age for federal employees. The ruling came in a case involving a former federal employee who was denied retirement benefits because he had not reached the mandatory retirement age.

Yukon Residents Protest Rate Hike

YUKON, Oklahoma (AP) - Residents of Yukon are protesting a recent rate hike by their local utility company. "We're fed up with the high prices," said a resident. "We're going to fight this."

World Briefs

Indo-Pakistan Embargo Ends

Washington, D.C. -- The United States has ended its embargo on trade with India and Pakistan. The embargo, which was imposed following a dispute over Kashmir, has now been lifted. The decision was made after consultations with both nations, and it is hoped that this move will bring peace to the region.

Greek Military Coup Follies

Athens, Greece -- The Greek government has collapsed after a coup attempt by military officers. The coup, which was led by Lieutenant General Gyorgios Papadopoulos, has sparked widespread protests and unrest in the country. The government has been toppled, and a new government will be formed.

Kashmir Dispute Settled

New Delhi -- After months of negotiations, India and Pakistan have agreed to a settlement over the disputed region of Kashmir. The agreement, which was reached in Geneva, will involve a joint management of the resources in the area. The two nations have been at odds over the region for decades.

Cambodian Collapse Predicted

Phnom Penh -- Cambodia is facing a predicted collapse due to severe economic problems. The government has been unable to control inflation and has been forced to devalue its currency. The situation is worsening, and there are fears of a wider political crisis.

Jewish Protesters Arrested

Tel Aviv -- Three Jewish protesters who had been demonstrating against the Israeli government have been arrested. The protesters were demanding the release of a former Israeli soldier, who had been kidnapped by Hamas terrorists.

80 Irish Extremists Freed

Dublin, Ireland -- Eighty Irish extremists have been released from prison after serving their sentences. The prisoners, who had been involved in paramilitary activities, had been serving terms for various offenses, including murder and terrorism.

Israeli Face Tax Hike

Jerusalem -- The Israeli government has announced plans to increase taxes to fund social programs. The tax increase is expected to affect all sectors of the economy, and it is hoped that it will improve the standard of living for the majority.

Ammonia Shortage in England

London -- An ammonia shortage has hit England, causing problems for several industries. The shortage is due to a reduction in production, and it is expected to last for several weeks.

OPEC Meeting in Vienna

Vienna -- The meeting of the Organization of Petroleum Exporting Countries (OPEC) is underway in Vienna. The talks aim to reach an agreement on production levels, which will impact global oil prices.

CRIME IS SKYROCKETING IN OKLAHOMA CITY

Why take unnecessary chances? Safeguard your family and possessions before it happens to you! Burglary, vandalism, and mayhem is running rampant.

Oklahoma State Lodges

State Park Lodges -- Located in some of the loveliest natural settings in Oklahoma, Owl's Nest Lodges are the perfect place for a relaxing vacation. Whether you're looking for a romantic getaway or a family-friendly retreat, Owl's Nest has something for everyone.

OTASCO Honors Salesmen

Dallas, Texas -- OTASCO, the wholesale distributor of automotive parts, has honored its top salesmen for the year. The salesmen were recognized for their contributions to the company and were awarded cash prizes.
