House Panel Defeats State ERA

In Washington, D.C., this week, a House panel defeated an effort to enact a State Equal Rights Amendment. The amendment would have prohibited discrimination on the basis of sex in the state legislature and would have protected women's rights to vote, own property, and enter into contracts. The panel voted 21-19 against the amendment, with many members expressing concern about its potential impact on women's rights. The vote highlights the ongoing debate over gender equality and the role of the state legislature in addressing discrimination.

How Crest can help you fight inflation while you’re fighting cavities.

It’s simple. Price your way through the inflation. Save 10¢ on any size tube of Crest you buy. But no matter how well you brush, you can’t brush away the better cost savings with Crest. Because Crest’s formula strengthens teeth by making the enamel more resistant to decay. So wash twice, see your dentist regularly, and brush often with Crest. You can’t beat Crest for lightning cavities. Or inflations.

Bake Rite Pure Shortening

Good cooks use it for flaky crusts, crispy chicken, fabulous French fries, all baking and frying.
