Langston Tops In Funding

BY HOWARD DAVIS
On The Football Field

Langston University, one of the four land-grant four-year colleges in the state, has a new high school in the Higher Education Acceleration Task Force.

The letter to the President of the Board of Regents for Oklahoma, dated June 1, 2024, read as follows:

"Langston University is pleased to announce the opening of a new high school on its campus. This new high school, a part of the Higher Education Acceleration Task Force, will provide educational opportunities for students in grades 9-12. The new high school is equipped with state-of-the-art facilities and will offer a wide range of academic and extracurricular programs. Langston University looks forward to welcoming students to this new addition to its campus."

The new high school is part of the state's efforts to expand educational opportunities and improve academic outcomes for all students in Oklahoma. Langston University is committed to providing a high-quality education to all students, regardless of their background or circumstances.

The new high school will offer a comprehensive curriculum that includes core subjects such as English, mathematics, science, social studies, and foreign languages. Students will also have the opportunity to participate in a range of extracurricular activities, including sports, music, and drama. Langston University is excited to welcome students to this new addition to its campus and looks forward to working with students and families to ensure a successful educational experience.

Emmanuelle is sensual, but she's elegant. Emmanuelle is fantasy, but she's fun. But most important: she leaves you with a singular lack of guilt.

This extraordinary film allows all of us to look objectively into the face of sensuality for perhaps the first time. And that's the clue to its overwhelming popularity. It's the first film of its kind that lets you feel good without feeling bad.

MARCH 12th - 18th

Aries

You're feeling upbeat and energetic this week, Aries. Your sense of adventure is piqued, and you're eager to take on new challenges. Take some time to reflect on your long-term goals and how you can make progress towards them. Communication is key, so make sure you're expressing yourself clearly and effectively.

Taurus

Your creativity is soaring, Taurus. You're finding inspiration in unexpected places, and your artistic pursuits are flourishing. Take advantage of this creative wave and explore your talents. However, be cautious not to overextend yourself, as taking on too much can lead to burnout.

Gemini

You're feeling social and outgoing this week, Gemini. Your charm and wit are at their peak, and you're attracting a lot of attention. Take some time to enjoy yourself and mix with new people. However, be mindful of your spending, as you might be tempted to splurge.

Cancer

You're feeling protective and nurturing this week, Cancer. Take some time to focus on your loved ones and show them how much you care. Your intuition is strong, so trust your gut feelings and make decisions based on your inner wisdom.

Leo

You're feeling confident and assertive this week, Leo. Your passion and energy are at their peak, and you're ready to take on any challenge that comes your way. However, be careful not to come off as arrogant or dominating, as it might alienate those around you.

Virgo

You're feeling organized and efficient this week, Virgo. Your attention to detail is sharp, and you're able to keep your projects on track. However, be careful not to become too uptight or perfectionistic, as it can lead to burnout.

Libra

You're feeling sociable and charming this week, Libra. Your communication skills are at their peak, and you're able to connect with others on a deeper level. Take some time to socialize and enjoy the company of friends and family.

Scorpio

You're feeling intense and passionate this week, Scorpio. Your desires are strong, and you're ready to take action towards your goals. However, be careful not to become too obsessive or controlling, as it can lead to conflict.

Sagittarius

You're feeling adventurous and free-spirited this week, Sagittarius. Your sense of adventure is piqued, and you're ready to take on new experiences. However, be careful not to ignore your responsibilities, as they are just as important.

Capricorn

You're feeling focused and determined this week, Capricorn. Your hard work is paying off, and you're making significant progress towards your goals. However, be careful not to become too rigid or controlling, as it can lead to burnout.

Aquarius

You're feeling creative and innovative this week, Aquarius. Your ideas are fresh and original, and you're able to come up with unique solutions to problems. However, be careful not to become too isolated, as it can lead to burnout.

Pisces

You're feeling sensitive and intuitive this week, Pisces. Your intuition is strong, and you're able to sense what others are feeling. However, be careful not to become too emotional, as it can lead to burnout.
