Junior American Citizens Awarded National DAR Prizes

Fort Scott news item. The Fort Scott American DAR chapter recently presented national DAR prizes to student participants in its Junior American Citizens (JAC) Program. The JAC Program is designed to instill a sense of patriotism and appreciation for American heritage among young people. The winners were selected based on their participation in various activities, including the writing of patriotic essays and the submission of entries to DAR's annual essay and art competitions. The Fort Scott chapter held their annual JAC program awards ceremony on May 20th at the Fort Scott High School auditorium. The chapter's JAC program is coordinated by Mrs. Mary Johnson, DAR chapter regent. The chapter congratulates the winners and encourages all students to participate in the program to foster a stronger sense of American identity and pride.

$1 Million School Issue

Yukon Approves Bonds

In a historic vote on Monday, the Yukon School Board approved a $1 million bond issue to fund the construction of a new high school campus. The bond issue was supported by a 5-2 vote, with Board members expressing confidence that the new facility will provide modern educational facilities and resources necessary for the district's growing student population. The proposed campus will include state-of-the-art classrooms, a large library, and a modern performing arts center. The bond issue will also help alleviate overcrowding at the existing school, allowing for a more comfortable learning environment. superintendent Dr. John Smith praised the decision, stating, "This is a major step forward for our community. With this new facility, we will be able to provide our students with the resources they need to succeed."

Cyrano Inducted In Honor Society

Cyrano, a vocal music unit, was inducted into the National Honor Society at the high school. The students were invited to join the society based on their academic achievements and leadership qualities. The inductees are expected to maintain a high level of academic performance and contribute to the school community through their participation in extracurricular activities. The induction ceremony was held on May 15th, with school officials and parents present to celebrate the students' accomplishments. The National Honor Society is a prestigious organization that recognizes academic excellence and encourages students to become leaders in their communities.

Girl Scouts Earn First Class Rank

Three Girl Scouts from the high school earned their First Class rank, the highest rank in the organization. The scouts were recognized at a special ceremony held at the school, where they were presented with their First Class badges. The scouts were praised for their dedication, hard work, and commitment to community service. The First Class rank signifies that the girls have demonstrated a high level of achievement in Scouting and have met the criteria for leadership and responsibility. The girls are now eligible to participate in advanced Scouting programs and activities.

Vocal Music Units Win At Tri-State

The vocal music units from the high school took home awards at the Tri-State competition. The students performed a variety of music pieces, showcasing their talent and skills. The competition was held on May 10th, with judges from different schools evaluating the performances. The vocal music units were judged on their musicality, stage presence, and overall performance. The students were thrilled with their success and were eager to continue their musical pursuits.

Graduates Listed

English Club Names Scholarship

The English Club at the high school has named the scholarship to honor the memory of a former club member. The scholarship will be awarded to a high school student who demonstrates a strong interest in literature and writing. The purpose of the scholarship is to encourage students to pursue their passion for English and to support their academic endeavors. The selection process will involve an essay competition, with the winning student receiving a financial award to help cover their tuition and other educational expenses.

Music Winners

Several students at the high school were named winners in the annual music competition. The students were recognized for their talent and skill in various musical disciplines, including vocal performance, instrumental music, and dance. The winners were awarded certificates and prizes for their achievements. The music competition is an annual event that celebrates the talent and hard work of the school's musicians. Students who are interested in participating in the upcoming year's competition can contact their music teachers for more information.
