She Lost On Her Terms

The Columbus have scored the first run of the game against the St. Louis Cardinals. The score is 1-0, with the Cardinal a couple of outs away from losing the game.

The Cardinal pitcher, Bob Gibson, has been effective, allowing only one run in five innings. However, the Columbus have taken advantage of some poor hitting by the Cardinal to come back and take the lead.

The Columbus are pleased with their performance today, and they are looking forward to the rest of the series.

Jury Dooms Texas Killer

AUSTIN, Tex. (UPI) - Robert Kevin Kinlaw, who holds the death penalty for first-degree murder, was sentenced to die Thursday for the murder of a State Trooper.

The 23-year-old Kinlaw was convicted in the death of Trooper Dwayne E. Driver, who was gunned down while on duty.

The case went to trial last week and the jury spent two days deliberating before returning its verdict.

The sentence was carried out at the Texas Department of Corrections facility in Huntsville.

New York Crisis Eased

NEW YORK (AP) - Mayor David Dinkins said Thursday that an agreement had been reached with the city's largest union over pay raises, ending a two-week strike that threatened to paralyze the city.

The agreement, which covers 15,000 workers, includes a $1.6 billion deal to raise wages for police officers, firefighters and other employees.

Dinkins said the deal would help protect the city from potential layoffs and the loss of vital services.

Spy Files Not Destroyed

WASHINGTON (AP) - The government has determined it will not destroy spy files that have been subpoenaed in the investigation of a former CIA officer.

These files, which were released by a federal judge earlier this year, have been at the center of a controversy over the proper handling of confidential intelligence information.

The government had previously said it would destroy the files, but the judge ruled they should be preserved as evidence in the ongoing investigation.

Bias Probe Changed Planned

WASHINGTON (AP) - The government has changed plans for a bias probe that was expected to investigate allegations of discrimination in a federal agency.

The probe, which was originally scheduled to begin next month, has been delayed until the next year.

The change was made after a review of the agency's diversity efforts found that they were already in line with current standards.

Pot-Laden Plane Crashes

HAWKINSVILLE, Ga. (UPI) - An elderly man died when his light private plane crashed into a house early Thursday, killing the two people aboard and destroying the structure.

The plane, carrying five people, exploded upon impact with the house, located in a rural area. The area was one of the scene of an earlier crash involving a similar aircraft.

'Enema Bandit' Suspect Held

GLEN ELLEN, Calif. (UPI) - A former police officer who authorities say used a hose to wash people's heads as a form of payment, was arrested Thursday.

The suspect, identified as Robert Mitchell, is accused of using a hose to wash people's heads as a form of payment.

He was arrested after a woman reported seeing him washing another man's head in a park.

Panel OKs Energy Tax

WASHINGTON (AP) - The Senate on Thursday approved a bill that would impose a federal energy tax on fossil fuels and renewable energy sources.

The bill would also provide grants to states for developing renewable energy projects.

Verdict Eludes SLa Jury

NAUGATUCK, Conn. (UPI) - The jury in the trial of a Connecticut man accused of killing a 10-year-old girl failed to reach a verdict by Tuesday evening.

The trial had been delayed several times due to the fact that the defendant had shown signs of mental illness.

Teachers' Union Urges Surplus Use

The Oklahoma City school board is opposing the city's plan to use educational funds for non-educational purposes.

The union says the district should prioritize educational spending and that the surplus funds should be used to improve schools.

Council of Development

The City Council in Kentucky on Wednesday voted unanimously to approve a development agreement for a new hotel.

The agreement would allow the developer to proceed with building a 120-room hotel in the heart of downtown.

The developer is expected to begin construction later this year.
