Wilkinson's Wife Asks Divorce

The column, written on October 15, 1972, discusses the situation of a woman seeking a divorce from her husband. The article highlights the legal process and the reasons behind the woman's decision to file for divorce. It mentions the involvement of legal professionals and the potential financial implications of the divorce. The focus is on the personal and legal aspects of the divorce, rather than any specific names or dates.

### National Briefs

**Low Air Fare Plans Created**

An airline executive has announced the creation of a new low fare plan for travelers. The plan will allow passengers to book flights at significantly reduced rates, making air travel more accessible. Details on the plan include a limited number of seats available and specific dates of departure.

**Textbook Critic Sets City Talk**

A well-known critic has set the stage for a city-wide discussion about the role of textbooks in education. This topic is expected to spark a conversation among educators and parents about the effectiveness and relevance of these materials.
